Payson Collector Striping / Town of Payson

The above referenced project has been classified as **race-neutral and is only valid for six (6) months from this date.** No DBE goal will be assessed for this contract/project; however, DBE participation is strongly encouraged. Project(s) to be advertised after six (6) months from this date must be re-assessed for a new DBE goal by completing the appropriate *DBE Goal Setting Worksheet* and resubmitting to adotgoals@dbesystem.com. Limited DBE availability has been identified in the following categories:

- Traffic Control (Not Inc. Law Enforcement)

Some DBE availability is based on the *Arizona Unified Transportation Registration and Certification System* (AZ UTRACS), which can be searched by specialty and/or NAICS code at https://adot.dbesystem.com/.

There are no requirements for On-the-Job Training.

Contact ADOT Business Engagement & Compliance Office at (602) 712-7761 if you have any questions regarding this assessment.

Sincerely,
