I-19, Duval Mine Road Improvements

PROJECT FACT SHEET

OVERVIEW

The Arizona Department of Transportation began a project early November 2026 to improve the roadway and approaches at the Duval Mine Road bridge over Interstate 19 in Sahuarita. This project will improve the roadway by creating a smoother driving surface.

PROJECT ELEMENTS

Planned improvements include:

- Making improvements to the roadway surface and approaches on both sides of the Duval Mine Road bridge over I-19.
- Removing and replacing damaged sections of concrete curb and drainage features within the project.
- Repairing damaged sidewalks and sidewalk ramps
- Adjusting uneven walkway pavers to create a smoother surface

PROJECT SCHEDULE

Construction is projected to be completed in December 2026.

Schedules are always subject to change because of weather and other unforeseen circumstances.
