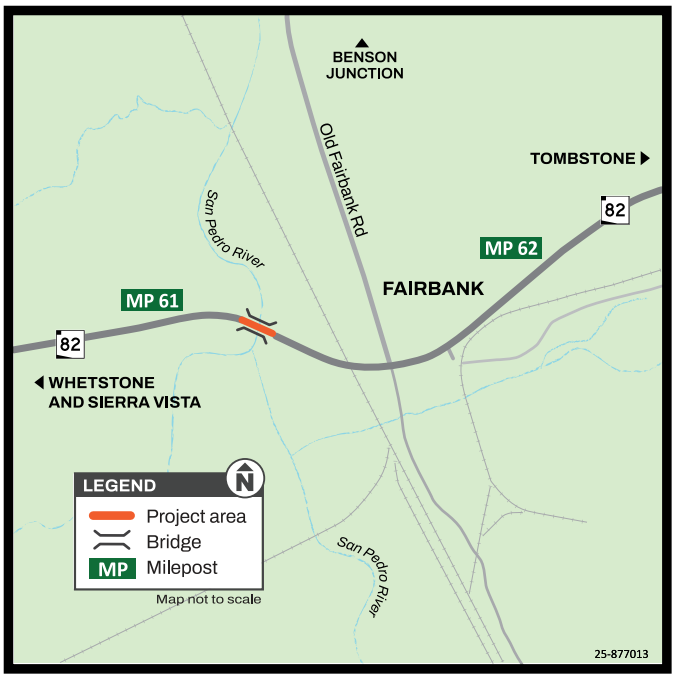
State Route 82: San Pedro River Bridge (mileposts 61-62) Replacement Project

PROJECT/STUDY FACT SHEET



OVERVIEW

The Arizona Department of Transportation is scheduled to begin the State Route 82, San Pedro River bridge (mileposts 61-62) replacement project near Fairbank, between Whetstone and Tombstone in November 2026. The work will consist of replacing the existing bridge to meet current standards. Additional work includes replacing guardrail and pavement markings.

PROJECT ELEMENTS

- Remove the existing bridge and construct a new bridge
- Remove and replace the guardrails within the project limits
- Add shoulders across the bridge
- Install new pavement markings on SR 82

PROJECT SCHEDULE

Work on this project is anticipated to start in November 2026 and is expected to be completed by fall 2028. Schedule subject to change based on weather or other unforeseen factors.

WHAT TO EXPECT

- Motorists should prepare for delays during peak travel times.
- Motorists should expect around the clock lane restrictions as traffic is reduced to a single alternating lane.
- Traffic will be shifted during construction to allow crews to work on one side of the bridge at a time.
- Temporary traffic signals at both ends of the bridge will be used to regulate traffic in each direction.
- A 12-foot vehicle width restriction will be in place.
- The speed limit will be reduced to 25 mph.
- ADOT will provide advance notice of restrictions and closures to email subscribers.

Detours

For oversized loads above the 12-foot vehicle width restriction, please consider using SR 90 to SR 80 or other alternate routes.
