*The original ECS project-specific contract 2012-001 was advertised using State funds (i.e., no DBE requirements apply). However, ADOT has obtained additional Federal funds (approximately **\$1.705M**) to finish the final design for above referenced project. The Race-Neutral determination has been approved by FHWA for this project.*

Therefore, the DBE goal assessed for the above referenced project is **Race-neutral** and is only valid for six (6) months from this date. Project(s) to be advertised after six (6) months from this date must be re-assessed for a new DBE goal by completing the appropriate [DBE Goal Setting Worksheet](#) and resubmitting to adotgoals@dbesystem.com.
