Title VI Overview

Title VI is a federal law that prohibits discrimination on the basis of race, color, or national origin in Federally assisted programs & activities.

The law specifically states:

“No person in the United States shall on the ground of race, color, or national origin be excluded from participation in, denied the benefits of, or subjected to discrimination under any program or activity receiving Federal financial assistance.” (42 USC 200d)

ADOT’s Title VI Policy:

Assures that no person shall on the grounds of race, color, national origin, gender, age, or disability be excluded from participation in, be denied benefits of, or be otherwise subjected to discrimination under any ADOT sponsored program or activity.

Meeting Purpose

- ▶ Provide an overview of the project
- ▶ Present current construction phasing plan and schedule
- ▶ Provide an opportunity for you to ask questions and provide feedback

Project Overview

ADOT and the city of San Luis are working on an improvement project in the downtown San Luis area to improve the circulation of traffic, enhance pedestrian safety and improve access to downtown businesses.

Project Improvements

- ▶ Archibald Street will be converted to a one-way street for southbound Port of Entry traffic
- ▶ First Street will be converted to a one-way street for northbound Port of Entry traffic
- ▶ The downtown shopping district will benefit from additional parking, benches, new pavement, striping and landscaping

Project Improvements

- ▶ Two roundabouts will be built at the following intersections:
 - US 95 (Main St.) and D St.
 - US 95 (Main St.) and Urtuzuastegui St.
 - A storm drainage system will be installed in the downtown area to improve storm water drainage

San Luis, Arizona Today

Phase 1
