ECS CONTRACT NO. 2010-005

TRACS NO.: VARIOUS

MULTIPLE SELECTION

Statements Due: November 24, 2009

Submit Statement of Qualifications expressing interest in the project online following ECS online SOQ submittal guidelines until 2:00 P.M. (Arizona Time) on the date shown above. NO Statements will be accepted after the date and time specified. Hard copies of SOQs will not be accepted.

Statements will be accepted from any firm or corporation who is prequalified through ECS and registered with the Arizona Board of Technical Registration and who has a principal or officer responsible for this contract that is properly registered with the Arizona Board of Technical Registration at the time the Statements of Qualifications are due.

The selected firms will assist ADOT throughout the procurement and construction administration process. These firms will be utilized in various capacities such as: pre-construction services, issue resolution, construction cost analysis, schedule analysis, alternative delivery analysis, selection of construction manager at risk contractors, and other related activities. The consultant will attend pertinent meetings with ADOT and selected contractors, and will advise and support the Department in negotiations.

The firm may be required to perform services including, but not limited to: expertise in construction management as it relates to alternative project delivery. The firm shall be considered an expert in evaluating contractor's schedules, and cost estimating, and shall have a good understanding of construction contracts, overheads, and fee structures. In addition, the consultant firm will provide guidance to the Department's project development staff and the construction administration staff.

Effective the date of the first public advertisement of this contract, no further contact is allowed with any ADOT personnel concerning this project except for questions of an administrative or contractual nature must be submitted in writing and directed to the attention of Angie Andreason at the address below. This restriction is in effect until selection has been announced.

Angie Andreason, Contract Manager
Engineering Consultants Section (ECS)
205 S. 17th Avenue, Room 293E, Mail Drop 616E
Phoenix, AZ 85007
Phone 602-712-7628
FAX 602-712-7424

Questions will be received until 2:00 PM on November 10, 2009. A fax is also acceptable. No further questions will be accepted after the time specified.

All firms will be notified of the firm's request for information and the Department's response to the question. Information will be posted on the ECS Website as well as faxed to those firms that have registered for project updates.

Any violation of the above contact restrictions may be grounds for rejection of the firms SOQ.
