**INSTRUCTIONS AND INFORMATION  
FOR FILING  
APPLICATION FOR CONTRACTOR PREQUALIFICATION**

**APPLICATION FOR PREQUALIFICATION**

All persons/firms desiring to offer bids for construction work advertised by the Department must first make application for prequalification. Application forms are available in Contracts and Specifications Section, 1651 W. Jackson Street, Room 121-F, Phoenix, AZ 85007, phone 602-712-7221 and on the internet at [www.azdot.gov/Highways/cns/prequal.asp](http://www.azdot.gov/Highways/cns/prequal.asp).

The completed application is intended to develop information relative to the contractor's experience, organization and other pertinent and material facts to acquaint the Department with the bidder's qualifications for performing work of the type and magnitude that might be offered for bid. The application is to be accompanied by a full financial statement including the balance sheet and related statements of income, retained earnings and cash flows that shows the current financial condition of the contractor.

**FILING OF STATEMENTS**

Prequalification applications may be filed with the Department at any time provided that the date of filing is at least 15 calendar days prior to the proposed bid opening date of work on which a contractor seeks to bid. Proposal (Bidding) pamphlets will not be issued to anyone who has not submitted an acceptable prequalification statement. The Department at any time may request additional information to supplement the statement submitted.

**PERIOD OF PREQUALIFICATION**

Prequalification applications will be reviewed by the Department and the parties making application will be notified of the Department's decision in writing. Prequalification applications will be considered valid for 15 months from the date of the financial statement.

**EXCEPTIONS**

The requirement for prequalification may be waived by the Department on projects consisting of specialty work.

**SUBMITTAL OF FINANCIAL STATEMENTS**

The contractor shall submit the financial statement on the accountant's own forms provided that these forms are in substantial compliance with the American Institute of Certified Public Accountants Professional Standards.

Assets such as negotiable securities or construction equipment shall be reflected at cost or book value in the statement of financial condition. When assets are appraised by an independent appraiser, such value may be submitted as additional information.

An adequate showing of the nature, amount and availability of personal assets or other securities pledged to the applicant, if applicable, will be required. A letter from the applicant's surety company (or parent company if applicable) may be requested by the Department in instances where higher prequalification amounts are being requested.

## **EXPERIENCE**

The contractor's statement of experience shall include information as to the contract amount, type of work, date of completion and the name and address of the owner of the work for each contract completed as a prime contractor. In lieu of any prime contract work, a similar statement should be provided for any subcontract work successfully completed.

The experience record shall include the major projects completed within three years from the date of application. Additional information covering experience may also be submitted.

## **LICENSING**

A contractor's commercial license to do work in Arizona is required prior to award of a contract. License applications may be obtained from the Registrar of Contractors, 800 W. Washington, 6<sup>th</sup> Floor, Phoenix, AZ 85007, Phone (602) 542-1502.

## **EQUIPMENT**

A list of the major items of construction equipment owned or controlled by the contractor shall be furnished including information as to age, purchase price, depreciation charge off and book value.

## **CORPORATION EVIDENCE OF AUTHORITY**

A list of the individuals authorized to sign and submit proposals, contracts, and contract bonds shall be furnished.

## **JOINT VENTURES**

The prequalification applications of the individual contractors desiring to submit a bid as a Joint Venture will be considered in extending prequalification to the Joint Venture. A statement of intent in the form prescribed herein shall be filed with the Department at least five calendar days prior to the bid opening date on which the Joint Venture seeks to bid.

## **BID SUBMITTAL**

The contractor shall purchase bidding documents and submit bid proposals under the same exact name as shown on his/her prequalification application.

**ARIZONA DEPARTMENT OF TRANSPORTATION**  
**INTERMODAL TRANSPORTATION DIVISION**  
**RULES FOR PREQUALIFICATION OF CONTRACTORS**  
**(R17-3-201 thru R17-3-204)**

**R17-3-201. General**

**A. Definitions.**

1. "Application" means a request for contractor prequalification, consisting of an application booklet available from the Department's office of Contracts and Specifications, and a financial statement prepared according to the requirements of this subsection and R17-3-202.
2. "Board" means the Contractor Prequalification Board.
3. "Compiled financial statement" means a financial statement prepared for form, appropriateness, and arithmetic accuracy. It does not express an opinion or provide any assurance regarding the financial statement.
4. "Contractor" means the individual, partnership, firm, corporation, joint venture, or any combination acceptable to the Department, that seeks to contract with the Department for constructing or reconstructing state transportation facilities, unless the context requires otherwise.
5. "Contractor prequalification" means the Department's process of review and evaluation of a contractor's work history and current financial condition before a contractor is allowed to submit a proposal for constructing or reconstructing state transportation facilities.
6. "Department" means the Arizona Department of Transportation.
7. "Examined financial statement" means a financial statement that includes the amounts and disclosures in the firm's financial statement, an assessment of the accounting principles used and the significant estimates made by management, and an evaluation of the overall financial statement presentation.
8. "Financial statement" means a financial report prepared according to generally accepted accounting principles by an independent certified public accountant or an independent public accountant. The financial statement includes a cover letter on the accountant's letterhead, a balance sheet, a statement of cash flows, an income statement, and all notes and appropriate supporting schedules.
9. "Joint venture" means the combination of two or more contractors for the purpose of submitting a proposal to the Department and performing a contract for constructing or reconstructing state transportation facilities.
10. "Prequalification amount" means the dollar limitation of each contract, based on the Department's estimate of contract value, for which a contractor may submit a proposal to the Department for constructing or reconstructing state transportation facilities.
11. "Reviewed financial statement" means a financial statement that includes an inquiry of company personnel, and a review of the analytical procedures applied to the financial data. It does not express an opinion regarding the financial statement taken as a whole.
12. "State Engineer" has the meaning in A.R.S. § 28-6901(3).

**B. Contractor Prequalification Board**

1. The State Engineer shall appoint the Board to consider and decide on applications for contractor prequalification.
2. The Board will be comprised of three Department employees, one of whom shall be a professional engineer, registered by the Arizona Board of Technical Registration, and one a certified or licensed public accountant.
3. The Board's authority to determine prequalification does not limit the Department's ability to establish additional criteria for contracts.

## **R17-3-202. Contractor Prequalification**

- A. Criteria.** An applicant for contractor prequalification shall include on the application and the Board shall consider the following information in determining the prequalification amount for a contractor:
1. Key personnel and their work experience.
  2. Organizational structure.
  3. History of past or current projects and contracts.
  4. Company affiliations.
  5. Equipment owned or controlled.
  6. Any applicable licenses.
  7. Type of work requested.
  8. Individuals authorized to act on behalf of the contractor.
  9. Any prequalification or bidding disputes with a government agency, and
  10. Financial condition.
- B. Joint Ventures.**
1. Each contractor in a proposed joint venture shall be prequalified. The joint venture shall submit a joint venture statement of intent at least 5 calendar days before the applicable bid opening date.
  2. If one or more of the parties to the joint venture are corporations, a copy of a resolution from the Board of Directors authorizing the corporation to enter into the joint venture and execute all contract documents shall be submitted with the statement of intent.
  3. Contractors operating as a joint venture on a continuing basis may file for prequalification as a joint venture.
  4. The Board may allow a contractor operating as a joint venture to prequalify for a pro rata share of the entire contract amount. The percentage share of work shall not exceed each individual contractor's prequalification amount.
- C. Prequalification Expiration and Extension.**
1. Prequalification expires 15 months after the end of a contractor's fiscal year, as reflected on the financial statement. Due to the time necessary to prepare an examined financial statement, the Board may grant up to a 60 day extension on the expiration of prequalification, if:
    - a) The contractor submits a letter from its accountant stating the reasons for delay in preparing the examined financial statement, and
    - b) The letter from the accountant states the anticipated completion date of the examined financial statement, and
    - c) The contractor submits an interim compiled or reviewed financial statement that was prepared within the previous six months.
  2. The Board will notify each contractor in writing of its decision on the contractor's prequalification amount.
- D. Classification of Contractors.** The Board shall categorize contractors into the following classifications:
1. **Inexperienced firms:** Firms that have no experience as contractors in transportation facilities construction work.
  2. **New firms:** Recently organized firms that have officers with experience with other contractors in positions of responsibility for transportation facilities construction.
  3. **Unknown firms:** Firms that have experience as contractors but have not completed a transportation facilities construction contract as a contractor for the Department within the past five years or at any time.
  4. **Known firms:** Firms that have successfully completed at least one transportation facilities construction contract within the past five years as a contractor for the Department.

**E. Classification of Financial Statements.**

1. All financial statements shall be examined, reviewed, or compiled according to generally accepted accounting principles, by either an independent certified public accountant or an independent public accountant, registered and licensed under the laws of any state. A contractor shall not submit a financial statement prepared by either a certified or public accountant who is directly or indirectly interested in or affiliated with the business of the contractor.
2. A contractor that submits a compiled financial statement will be limited to a maximum prequalification amount of \$300,000.
3. A contractor that submits a reviewed financial statement will be limited to a maximum prequalification amount of \$1.5 million.
4. A contractor that desires a prequalification amount in excess of \$1.5 million shall submit an examined financial statement.

**F. Prequalification Limits.** In determining the prequalification amount for each contractor, the amount set by the Board may be less than the maximum amount set out in this subsection due to the Board's evaluation of the contractor's information under R17-3-202(A).

1. **Inexperienced firms.** An inexperienced firm will be limited to a maximum prequalification amount of \$300,000 until the contractor has satisfactorily completed at least one transportation facilities construction contract for any public agency.
2. **New firms.** A new firm will be limited to a maximum prequalification amount of five times the firm's net worth.
3. **Unknown firms.** An unknown firm will be limited to a maximum prequalification amount of five times the firm's net worth or the amount of the largest transportation facilities construction contract it has successfully completed as a contractor for any other public agency, whichever is larger.
4. **Known firms.** A known firm will be limited to a maximum prequalification amount of ten times the firm's net worth. An unlimited prequalification amount may be granted if the product of ten times the firm's net worth exceeds \$100 million.
5. **All firms.** Evidence of additional assets pledged in behalf of a contractor or letters from a contractor's surety company may be considered in establishing higher prequalification amounts than stated in subsections (F)(2) through (F)(4). A parent company that pledges assets in behalf of a contractor shall submit a financial statement.

**G. Reconsideration of Prequalification Determination.**

1. If a contractor is dissatisfied with the Board's decision, the contractor may request in writing a hearing, within 15 days of receiving the Board's decision. The hearing shall be conducted under A.R.S. § 41-1062. The letter shall indicate the basis for the request and shall provide supportive data. The Board shall review the request and accompanying information and decide on the request within 30 calendar days of its receipt.
2. If the contractor is still dissatisfied with the decision of the Board, the contractor may appeal to the State Engineer. The Board shall notify the contractor about the appeal procedures.

**H. Issuance of Bidding Documents.** A contractor shall not request bid documents for a contract for which it is not prequalified.

**I.** The Department may waive the prequalification requirement on an individual contract when it is in the best interest of the state. The advertisement for bids shall identify if prequalification is waived.

**R17-3-203. Reduced Prequalification Amounts or Disqualifications**

- A. The Board may reduce the prequalification amount of a contractor already prequalified or disqualify a contractor from bidding if a contractor:
1. Falsifies any document or misrepresents any material fact in the information furnished to the Department;
  2. Fails to enter into a contract with the Department;
  3. Defaults on a previous contract with any public agency;
  4. Has an unsatisfactory work performance record with the Department on the basis of workmanship, competent superintendence, adequate and proper equipment, timely completion, or failure to submit required documentation for closing out a contract; or
  5. Fails to provide notification to the Board, within 30 calendar days of occurrence, of any change in ownership, corporate officers or general partners, bankruptcy, receivership, court supervised reorganization, or the entry of a judgement in a judicial or administrative proceeding adverse to the contractor.
- B. The Board shall notify a contractor in writing of its intention to reduce the prequalification amount or to disqualify a contractor. The Board's notice to reduce prequalification or to disqualify a contractor shall become a final determination unless the contractor requests a hearing with the Board within 20 calendar days after receiving such notification. The Board shall notify the contractor about the hearing procedures.
- C. The contractor may appeal the Board's decision to the State Engineer. The Board shall notify the contractor about the appeal procedures.

**R17-3-204. Access to Department Prequalification Files.**

Prequalification files are considered to be strictly confidential. The files will be available only to:

1. Members of the Board,
2. The Director of the Department or any authorized agents of the Department,
3. Members of the Arizona State Transportation Board,
4. The division administrator of the Federal Highway Administration or any authorized representatives,
5. Agents of surety upon the filing of an application for bond duly signed by an authorizing party of the prequalified firm contractor,
6. Members of the Arizona State Board of Accountancy or their duly authorized representatives, and
7. The contractor that is the subject of the file.
