NOTE:
Set stop line 8 ft back from and parallel to gate, if present.

24" White Stop Line

6" Double Yellow Between Stop Lines

6" Yellow, 10" Stripe, 30" Space, if passing is warranted

6" Yellow

6" Yellow

24" White

White, See Detail A

See MUTCD Table 2C-4 (Condition A)

NOTES:
1. On multi-lane roads the transverse marking shall extend across all approach lanes and an individual x at symbol shall be used in each approach lane.
2. Where there is a street intersection between the W10-I sign and the crossing, an additional W20-I sign should be installed to warn traffic approaching the crossing from the intersection.
3. Place leading transverse marking directly adjacent to the W10-I sign where practical.
