GENERAL NOTES:

1. All joint locations shown are typical. The actual joint locations will be based upon the project joint location submitted by the contractor and approved by the Engineer in accordance with Subsection 407.5.01 of the Standard Specifications.

2. See Std Dwg C-07.01 for Joint Information.

3. See plans for ramp dimensions.

4. For joint spacing sequence, see Std Dwg C-17.04, Shed 4 of S.

5. LC and LWP joints shall be located on the edge of traffic lanes unless otherwise shown on the project plans.
