**GENERAL NOTES**

1. All joint locations shown are typical. The actual layout for joint locations shall be based upon the project plans and approved by the Engineer in accordance with Subsection 401-3.01 of the Standard Specifications.

2. See Std Dwg C-07.01 for joint information.

3. See plans for ramp dimensions.

4. For ramp joint spacing sequence, see Std Dwg C-07.04, Sheet 4 of 5.

5. LC and LWP joints shall be located on the edge of traffic lanes unless otherwise shown on the project plans.
