Annual Report 2007

Highway Expansion and Extension
Loan
Program

Arizona Department of Transportation

Office of the Director

206 South Seventeenth Avenue Phoenix, Arizona 85007-3213

Richard Travis
Deputy Director

Victor M. Mendez
Director

December 1, 2007

The Honorable Janet Napolitano Governor, State of Arizona

The Honorable Timothy S. Bee President, Arizona State Senate

The Honorable James P. Weiers Speaker, Arizona House of Representatives

Members of the Legislature, and Citizens of the State of Arizona

Pursuant to the requirements of Title 28, Chapter 21, Article 5 Arizona Revised Statutes, I am pleased to present the 2007 Annual Report for the Highway Expansion and Extension Loan Program (HELP).

Three HELP loans were approved during the past year for a total of \$24.4 million. This brings the total number of HELP loans that have been approved to 58 with a total loan amount of over \$622 million. Of the approved loans, 36 loans have been fully repaid with loan repayments totaling over \$417 million.

The HELP program continues to be a viable funding tool to accelerate needed highway projects throughout the state. In addition, House Bill 2793 passed during the 2007 Legislative Session expanded the HELP program to allow loans for eligible transit capital projects in rural communities. Up to \$10 million of HELP capital can be used for these loans.

The State Transportation Board, HELP Advisory Committee and ADOT staff look forward to continuing to assist with the financing of important highway and transit projects in the coming years.

Sincerely,

Victor M. Mendez

INTRODUCTION

The Highway Expansion and Extension Loan Program (HELP) provides the state and its communities with an innovative financing mechanism to accelerate the funding of transportation projects. This mechanism is referred to as a State Infrastructure Bank (SIB) and was initially authorized by Congress in 1995. A SIB operates like a bank by providing loans or credit enhancement for eligible projects.

HELP, Arizona's SIB, was established in 1998, and is operated under the authority of the State Transportation Board. A seven member HELP Advisory Committee accepts loan applications, reviews and evaluates requests for financial assistance, and makes recommendations to the State Transportation Board on loan and financial assistance requests.

The current members of the State Transportation Board are:

Joe Lane, Chair Phoenix
Si Schorr, Vice Chair Tucson
Delbert Householder Thatcher
Robert Montoya Flagstaff
Felipe Andres Zubia Avondale
Bill Feldmeier Prescott
Bobbie Lundstrom Nogales

The current members of the HELP Advisory Committee are:

John McGee, Chair ADOT

2007 HIGHLIGHTS

HELP continues to be among the most active State Infrastructure Banks in the nation. The Federal Highway Administration (FHWA) collects loan activity data from the states and periodically publishes this information. As of the September 30, 2006 SIB loan activity report (the latest data available from FHWA), HELP ranked:

- *fourth in total number of approved loans (55);*
- third in total amount of approved loans (\$598 million); and
- second in loan amounts disbursed to recipients (\$510 million).

Three new HELP loans were approved during the year including:

City of Tucson: Mountain Avenue, Roger Rd. to Ft. Lowell Project

Date Approved: March 16, 2007

Loan Amount: \$14,000,000

Interest Rate: To be determined

Project Acceleration: 18 months

Project: This loan will help complete the final mile of a demonstration project with the purpose of facilitating the use of alternative modes along major ways of access to and from the University of Arizona campus. It will eliminate the current two-lane uncurbed roadway and replace it with a two-lane, curbed facility that is centered in the right-of-way, allowing for proper travel and bike path widths. Also included in this project is the establishment of intermittent raised medians to encourage traffic calming, continuous sidewalks and a storm drainage system.

Town of Oro Valley, La Cañada Drive Widening Project

Date Approved: July 20, 2007

Loan Amount: \$8,000,000

Interest Rate: 3.20%

Project Acceleration: 3 years

Project: The Town of Oro Valley will use the proceeds from this loan to complete the widening of the last mile of the major north-south arterial serving the northwest Tucson region (La Cañada). The section between Naranja Drive and Tangerine Road is a two-lane undivided road which creates a major bottle neck congestion problem. The project will eliminate this bottle neck by providing a continuous four-lane divided roadway corridor.

City of Bisbee: Arizona Street Reconstruction Project,

Date Approved: September 21, 2007

Loan Amount: \$2,400,000

Interest Rate: To be determined

Project Acceleration: 3 years

Project: Arizona Street, located in the Warren District of Bisbee, is the main thoroughfare for the district. Currently the street is in poor condition with multilayered patches, no curbs, substantial drainage issues and severe loss of surface material. This loan will provide a 38' paved roadway with vertical curb and gutter, 5' pedestrian walks on both sides, 32 ADA compliant handicap ramps, and improved drainage. The road also provides access to the main commercial area in the district.
