VLT distribution is as followed: 44.99 percent to HURF, 24.59 percent to county general fund, 24.59 percent to cities and towns, and 5.83 percent to counties for highway purposes. Table shows cities and towns, as well as counties shares of VLT.

/1 Figures do not include July and first half of August 2002 VLT distribution to cities and counties because SB 1041 took effect in the 2nd half of August 2002. Also excludes VLT amount to cities and towns in Pinal county.

/2 Court order requires Pinal County to make the VLT distribution to cities.
