NOTES:

/1. See Arizona Revised Statutes (ARS), Title 28, Section 5808 for additional detail for the VLT distribution. Please see Arizona Revised Statutes (ARS), Title 28, Section 5808 for detail on the VLT distribution. The HURF, State General Fund, State Highway Fund, City/Town General Fund, County General Fund and Local Transportation Assistance Fund (LTAF II) receive a small amount of VLT from alternative fuel, rental and publicly owned emergency vehicles.

/2. 24.59% is distributed directly to the county general fund and 24.59% is distributed to the county treasurer for distribution to incorporated cities and towns in proportion to their population.

/3. Per Laws 1998, Chapter 267 (HB 2565), any federal money (Surface Transportation Program Fund) the State Highway Fund receives over \$42 million the LTAF II would receive a portion of the State Highway Fund's share of VLT through September 30, 2003. Please refer to ARS, Title 28, Section 5808, A.2(d) and C. for further details.

/4. Per Laws 1998 Chapter 200 (HB 2026), the Department shall reimburse an authorized MVD Third Party an amount equal to 2.0 percent of each vehicle license tax payment the MVD Third Party collects and submits to the Department. On December 1, 2000, a final VLT tax rate reduction was made that eliminated the majority of the State Highway Fund's share of VLT that is used to reimburse MVD Third Parties. The shortfall is now paid directly from the State Highway Fund.
