

Arizona Department of Transportation

TRAFFIC GROUP

**Notice of Changes to the “Traffic Engineering Policies, Guides and Procedures”
(PGP) Manual**

May 20, 2002

TO: PGP Users
FROM: Mike Manthey, State traffic Engineer
SUBJECT: PGP Section 380, 624 and 635

Please find attached a copy of **sections 380, 624 and 635** of the PGP. Minor changes to this section have been made.

Section 380: Changes in fluorescent orange sheeting use.

Section 624: Reference to ADOT Approved Products List, instead of listing product's brands.

Section 635: Rephrased language regarding cell libraries.

Please add the enclosed revised section to your PGP manuals. If this section already exists in your manuals, please remove the old copy and replace it with the attachment.

Please call Muhannad Al Zubi, P.E. at (602)712-7601 for extra copies or if you have any questions.

Thank You.
