## **340 SERVICE SIGNS**

---

Traveler service signs, both general and specific, may be installed on freeways and conventional highways when the service is located in the general vicinity of the interchange or intersecting highway.

TGP 341 discusses specific service signs for rural freeways.

TGP 342 discusses specific service signs for conventional rural highways.

TGP 343 discusses general motorist service signing.

TGP 344 discusses the Adopt-A-Highway Volunteer Program for litter collection.

TGP 345 discusses the Adopt-A-Highway Program for Maintenance Providers for litter collection.
