Subject: Perpetual Easement Areas on Ownership Record Sheet

It has been the decision of Right of Way Group Management that, effective immediately, the area of New Perpetual Easements will no longer be deducted from the Total Area in calculating the remainder(s). In other words, the Remainder Area(s) equals the Total Area minus the New Fee Acquisition (Gross or Net). Before this decision, the Remainder Area(s) equaled the Total Area minus the New Fee Acquisition and also minus the New Perpetual Easement(s), if any.

Examples of Perpetual Easements are Drainage Easements, Ponding Easements, and Slope Easements. Temporary Consturction Easements are not Perpetual Easements.
