Subject: ORS naming

Per Delineation Dept., a reminder that when the owner listed on a title report is in the form of a company, such as "Westar Service Corporation, a California corporation" or "Lambeer L.L.C., an Arizona Limited Liability company", the Ownership Record Sheet does not have to include the information after the comma. The above examples would be listed on the ORS as "Westar Service Corporation" and "Lambeer L.L.C."

Ben - would you be so kind as to relay this to the on-call consultants.
