State Transportation Board approves 2019-2023 Five-Year Construction Program

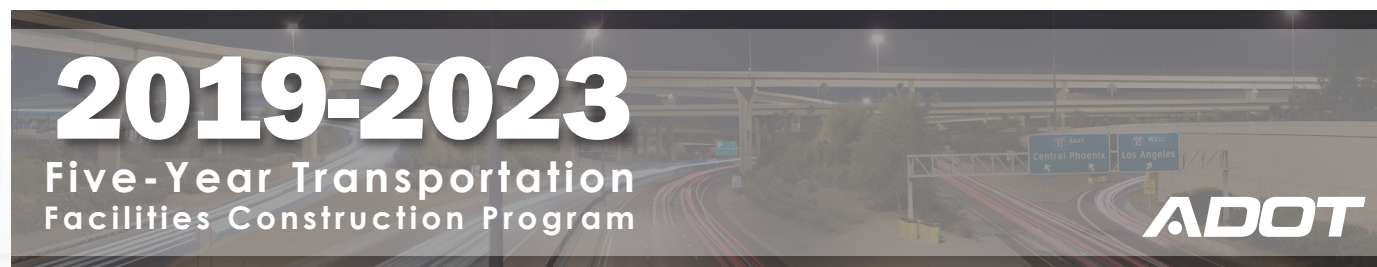

A major freight corridor in Southern Arizona will undergo a full build-out of improvements over the next few years now that the State Transportation Board formally approved the funding for the project. The board approved the two planned construction phases for State Route 189.

Other major expansion projects along key commerce corridors, including

Interstate 17, US 93 and State Route 260, were also approved as part of the annual update to the Arizona Department of Transportation's Five-Year Transportation Facilities Construction Program.

The 2019-2023 Five-Year Program includes projects in Greater Arizona and the Maricopa County and Pima County regions.

The following is a list of major projects for Greater Arizona, the Maricopa Association of Governments region and the Pima Association of Governments region during the next five years. 2019-2023 Five-Year Program, once published next week, can be found at azdot.gov/fiveyearprogram.

Greater Arizona

- State Route 189, Nogales to Interstate 19
- Interstate 17: Anthem to the Sunset Point Rest Area
- US 93: "The Gap" Tegner Drive to State Route 89
- ADOT and city of Flagstaff partnership project
- US 93/Interstate 40: West Kingman traffic interchange
- State Route 69: Prescott Lakes Parkway to Frontier Village
- State Route 260: Lion Springs section
- US 93: Cane Springs section
- US 93: Big Jim Wash section

Pima County Region

- Interstate 10: Ina Road to Ruthrauff Road
- Interstate 10: Ruthrauff Road traffic interchange
- Interstate 10: Houghton Road traffic interchange
- Interstate 19: Ajo Way traffic interchange:

Maricopa County Region

- Loop 202 South Mountain Freeway
- Interstate 10 (Maricopa Freeway)
- State Route 30 Study: Loop 303 to Loop 202 South Mountain Freeway
- Loop 101 Pima Freeway: Interstate 17 to Pima Road/Princess Drive
- Loop 101 Pima Freeway: Pima Road/Princess Drive to Shea Boulevard
- Loop 101 Price Freeway: US 60 to Loop 202 Santan Freeway
- Interstate 10: State Route 85 to Verrado Way
- Loop 303 Study: Interstate 10 to the proposed State Route 30

ADOT DBE Affidavit Review Process Effective June 22

The Arizona Department of Transportation (ADOT) is implementing a new DBE Affidavit Review process effective for all ADOT bid openings on or after June 22, 2018.

DBE Affidavits are due to Business Engagement and Compliance Office (BECO) from the Apparent Low Bidders (ALB) by 4:00 pm on the 5th calendar day post bid (generally bids open on Fridays, DBE Affidavits are due Wednesday by 4:00 pm). All other bidders are encouraged to submit the affidavits in order to be considered for award.

ADOT will eliminate its current practice of working back and forth with bidders to correct errors on DBE Affidavits. ADOT will no longer review DBE Affidavits prior to the deadline. All DBE Affidavits submitted will be reviewed after the 5th calendar day post-bid. The DBE Affidavits with revised date of 5/16/2018, links provided below, shall be used for all bid openings on or after June 22, 2018.

[DBE Intended Participation Affidavit Summary - Form 106C \(Rev. 5/16/2018\)](#)

[DBE Intended Participation Affidavit - Form 105C \(Rev. 5/16/2018\)](#)

Bidders are encouraged to contact BECO with questions about completing DBE Affidavits prior to bid opening and before the 5 day deadline. Click the link below for a list of most common errors on DBE Affidavits received in the past. DBE Affidavits must be submitted free of those and any other errors.

[DBE Affidavits Errors & Tips Information](#)

Effective bid openings on or after June 22, 2018, all DBE Affidavits must be submitted correct and error free and will be processed after the 5th day identified above. Affidavits submitted with errors will not meet good faith effort requirements and are subject to rejection of bid. For multiple DBE Affidavits submitted, BECO will consider for review the last submitted DBE Affidavits prior to the 5 day deadline.

For questions regarding this new process or questions about completing DBE Affidavits, please contact ContractorCompliance@azdot.gov.

More information is available online [here](#).

Did you know?

More services for your small business!

The ADOT Small Business Resource Center is now open. Get one-on-one and small group help for your various business challenges and take advantage of in-depth workshops to help you deploy new ideas and tools in your company. Next month, the "Friday Forums" will help you understand and use QuickBooks in your business. Visit the website to learn more:

<https://www.azdot.gov/business/business-engagement-and-compliance>

! ADOT Bid openings after January 1st, 2017 will require prime contractors to submit DBE affidavits within 5 calendar days from bid opening. This is two days less than the current requirement. For example, if bid opens on Friday, the DBE Affidavits will be due to BECO, from the prime contractor, by Wednesday before 4:00 PM. Therefore, this is reducing the time DBEs and prime contractors have to prepare, sign and submit the DBE Affidavits to BECO. DBEs are urged to consider this new time restriction when working with prime contractors to complete and sign the DBE Affidavits in order for them to be submitted to BECO by the 5th calendar day from bid opening.
