Dear Sir/Madam,

Re: A.M.C.A. Membership

On behalf of the Associated Minority Contractors of America (A.M.C.A.), I want to extend an invitation for you to join an association that is advocating and supporting on behalf of all Minority and Women-Owned Contractors in the state of Arizona and throughout the region. The A.M.C.A. is the principal trade association in Arizona representing and advocating on behalf of all Minority and Women-Owned Contracting Companies.

The A.M.C.A. offices in Phoenix and Tucson have been instrumental in working with State, County, and City Governmental Procurement and Contracting Agencies to ensure that Minority and Women-Owned Business Contractors participate in publicly financed contracting opportunities. A.M.C.A. has worked with, and continues to work with, non-minority majority firms and prime contractors to increase Minority and Women participation in private sector contracting opportunities. Your A.M.C.A. membership will provide you as a member many services on a statewide and local level to include:

- ***Advocacy with Local Governmental Small Business and Disadvantaged Business Enterprise Programs***
- ***Networking with other Small Business and Prime Contractors***
- ***Seminars and Workshops tailored to meet local, regional and national needs***

The A.M.C.A. has assisted our members as well as other small businesses that were seeking business opportunities with the Sports and Tourism Authority (S.T.A.) Multipurpose Facility Cardinal Stadium. We worked with S.T.A.'s Construction Consultants to establish, monitor and implement the Small Business Enterprise participation goals for the design, engineering, construction and operation of the new Sports and Tourism Authority Multipurpose Facility. Other projects the A.M.C.A. is affiliated with include the Civic Center Expansion Project, the Light Rail System, and the Sheraton Hotel Project to name a few. We continue to work with the City of Phoenix, Maricopa County, City of Tucson, Pima County, Tucson Airport Authority, and other municipalities throughout the State.

Enclosed please find the 2017 Membership Application for your review. If you should have any questions, please feel free to contact me at (877) 619-0026.

Sincerely

Ricardo Carlo, President  
Associated Minority Contractors  
of America
