CATEGORY CODES

Revised 08/05/2016

Code	Registration Category Code Definition
A	Passenger Vehicle; Non-Commercial station wagon, limousine, motor home, van conversion, specially constructed vehicle; Non-Profit organization bus without a weight fee, NEV's that have met NHTSA requirements.
B	Rental Passenger Vehicle, with a weight fee (Interstate and Intrastate).
C	Commercial Power Vehicle, with a weight fee; this includes all 1 ton and larger vehicles, motorized quadricycles and vehicles less than 1 ton at the option of the owner.
D	Bus, with a weight fee.
E	Taxi, with a weight fee.
F	Permanent Trailer Registration for Non-Commercial trailers (except travel/tent trailers) with a declared GVW of 10,000 or less.
G	Trailer, Commercial with a declared GVW 0 to 10,000 except travel/tent trailers) or a commercial trailer with a GVW over 10,000 that is permanently registered.
H	Motorcycle; Autocycle; Golf Cart; Motor Scooter; NEV; ATCs and ATVs certified as roadworthy.
I	Pickups and Vans 3/4 Ton and Less, Non-Commercial (this includes non-commercial trusts).
J	Travel Trailers & Tent Trailers
K	Moped
L	Dealer/Transporter
M	Governmental Agency Trailer
P	Governmental Agency Power Vehicle
R	Off Road Vehicles--ATCs (2 or 3 wheeled) and ATVs (4 wheeled).
S	Conversion of the existing records on the automated system (Oct. 1, 1993) to charge commercial fees to all vehicles (including passenger) titled in a company name. Upon registration update or title transfer, the category should be manually updated to the appropriate code A-R, as listed above.
T	No longer used for new input. Upon registration up-date or title transfer, the category should be manually converted to either "A" or "I" based on body style. Formerly used for non-commercial 1/2 ton and less pickups, vans and station wagons which had a commercial name format (such as a family trust).
