Buyer and seller should do this after agreeing to transfer the vehicle title. If there are still negotiations or other options being considered, it’s too soon to start this process.

Both buyer and seller will need an AZ MVD Now account for an eTitle Transfer. Register at AZMVDNow.az.gov.

**eTITLE TRANSFER**

**5 Easy Steps**

1. **Create account and log in to AZ MVD Now**
2. **See if your vehicle qualifies by checking AZ MVD Now.**
3. **Begin eTitle Transfer. Enter Buyer’s Code and carefully review and complete the vehicle information section.**
4. **You will be notified when the buyer accepts the vehicle information. You can now release ownership.**
5. **Print temporary registration and license plate.**

A sold notice is automatically placed on the vehicle. Remove your plate from the vehicle. Visit ServiceArizona.com to request your plate refund, if applicable.

You will be notified when the buyer accepts the vehicle information. You can now release ownership.

Print temporary registration and license plate.

Keep the registration in your vehicle and display the plate so it’s visible.

Watch for your physical plate, registration, and tab arriving in the mail.
