Pima Association of Governments
FY 2016-2020 TIP Conformity Finding
(Maintenance Area)

Mr. Farhad Moghimi, Executive Director
Pima Association of Governments
1 East Broadway Boulevard, Suite 401
Tucson, Arizona 85701

Dear Mr. Moghimi:

In accordance with the Clean Air Act Amendments of 1990, a conformity finding of the transportation plans and programs in a non-attainment area is required of the U.S. Department of Transportation. Based on our evaluation of the Metropolitan Planning Organization (MPO) finding of conformity and related documentation, in coordination with the Environmental Protection Agency (EPA), the MPO and the State Department of Transportation, the Federal Highway Administration and Federal Transit Administration have determined that the Tucson, Arizona urbanized area has met the requirements of the EPA Transportation Conformity Rule (40 CFR Parts 51 and 93).

A Finding of Conformity is hereby made with respect to the subject Transportation Improvement Program as approved by PAG Regional Council on May 28, 2015. A Finding of Conformity was made previously on the 2040 Regional Transportation Plan on September 30, 2010 and the FY 2015-2019 TIP on July 2, 2014.

This conformity determination is in effect until such time as a new determination is required either by new regulatory requirements, major revision of transportation plans, or a State Implementation Plan (SIP) revision.

Sincerely,

For Karla S. Petty
Division Administrator
