90501000	CONSTRUCT GUARDRAIL FROM SALVAGE	150.00	L. FT		
					Material Sales Tax

*Total

*NOTE: Due to recent changes to Arizona laws regarding construction sales tax, it's still unclear how Arizona Department of Revenue will be treating construction sales tax on highway projects. If it is determined the sub-contractor will be paying sales tax on materials, then please add _____ to our bid. If Arizona Department of Revenue determines Prime Contractors to pay sales tax, then tax should be calculated as previously done.
