What is a vehicle license tax?

A vehicle license tax is included as part of the annual fee to register your vehicle. It is based on an assessed value of 60 percent of the manufacturer’s base retail price reduced by 16.25 percent for each year since the vehicle was first registered in Arizona (15% before 8-1-98). From there, the rate is calculated based on the assessed value. $2.80 per $100 of assessed value for new vehicles and $2.89 per $100 for used vehicles.
