

SOUTHERN APACHE AND NAVAJO COUNTIES TRANSPORTATION PLAN

January 14, 2019

PUBLIC OPEN HOUSE

Do you drive, walk, bicycle, or ride the bus? **If so, we want your input!**

The City of Show Low, the Towns of Taylor, Snowflake and Pinetop-Lakeside, Navajo and Apache Counties, and the Arizona Department of Transportation have partnered to develop a transportation plan for southern Navajo and Apache Counties communities.

The plan will identify transportation improvement priority projects and investments that will advance transportation in the region over the next 20 years.

The study team has developed a draft list of projects that will be considered in the plan. These projects include new roadways, improved roadways, intersection improvements, traffic signals, bicycle and pedestrian improvements, and transit improvements to improve your ability to move around within the region.

Please join us for a public meeting to provide your input on the potential projects.

Southern Apache and Navajo Counties Transportation Plan
