

State Route 72 (Hope Highway) to Junction US 60

PAVEMENT REHABILITATION AND INTERSECTION IMPROVEMENT PROJECT

PROJECT OVERVIEW

The pavement rehabilitation project is located in La Paz County on State Route 72, starting at milepost 30 and ending at US 60 (milepost 49). The work consists of reconstructing the existing two-lane roadway and making two bridge modifications. The work also includes making other pavement improvements; putting down pavement markings; and installing signs and rumble strips.

The intersection improvement project is located on State Route 72 in the town of Bouse. The work will include improving the existing intersection of SR 72 and Joshua Drive for safety and to improve access to Bouse Elementary School.

The work consists of removal and reconstruction of existing pavement, relocation of the existing cattle guard and other related work.

Construction is scheduled in January 2019. Drivers should plan for possible delays.
