CONSTRUCTION ALERT: EXPECT RAMP, ROADWAY AND INTERSTATE CLOSURES THROUGH EARLY 2020 | ALLOW EXTRA TRAVEL TIME, PREPARE TO USE DETOURS

Work to reconstruct the Interstate 17 traffic interchanges at Pinnacle Peak and Happy Valley roads in north Phoenix is accelerating through the end of 2019 and into early 2020. When work is completed, the following sections of the frontage road will accommodate two-way (north and southbound) traffic:

The southbound I-17 frontage road will be converted to a two-way road for south- and northbound traffic, between Premier RV and Self-Storage and Adobe Drive. When this work is complete, drivers exiting Premier RV and Self-Storage will be able to turn right or left onto the frontage road.

The northbound I-17 frontage road will be converted to a two-way road for north- and southbound traffic between Williams Drive and the roadway south of Adams Traditional Academy/north of the Phoenix Metro RV Park. When this work is complete, drivers exiting Adams Traditional Academy and the Phoenix Metro RV Park will be able to turn left onto the frontage road.
