FAREWELL TO DEBRA MELESHKO

It is with sadness and joy that we announce the retirement of Aircraft Registration Supervisor Debra Meleshko. She was a fearless leader who helped get the unit transitioned when it joined Motor Vehicle Division (MVD) six years ago. We wish her the very best as she starts the next chapter of her life.

We are pleased to announce that John Parks has been promoted to the Aircraft Registration Unit Supervisor position. John started his career with MVD in 2012, as a customer service lead in the Communication Center. He later became the criminal records check coordinator prior to accepting his new role as the aircraft registration unit supervisor. John enjoys rebuilding classic cars in his spare time and spending quality time with family.
