GRAND CANYON AIRPORT

The Grand Canyon Airport is the only state owned airport in Arizona. It opened for operation in October 1965 and is situated on the grounds of the original airport that opened in 1925.

Located in Tusayan AZ, the airport is just two miles from the Grand Canyon National Park entrance and sits seven miles from the South Rim.

December of every year since 1995 the Grand Canyon Airport becomes the temporary FBO for Operation Supai.

The Marine Medium Helicopter Squadron 764(HMM-764) out of Edwards Air Force Base in California, teams up with the local Marine Toys for Tots program and St. Mary's Food Bank based in Flagstaff.

They deliver over 150 bags of toys and 100 boxes of food and turkeys to the remote Havasupai Tribe.
