

# US 191 AND INTERSTATE 10: BRIDGE REPAIR

## WHAT TO EXPECT

During the repairs crews will use a temporary road detour that allows traffic to continue flowing around the construction zone. Motorists can expect lane restrictions on I-10 throughout construction and should allow for extra travel time, as delays are possible. ADOT will provide advance notice of restrictions and closures to email subscribers and on the project traffic alert web page.

## PROJECT SCHEDULE

Construction on this project is set to begin in late winter 2023 with project completion planned for spring 2024. Schedules are subject to change because of weather and other unforeseen situations.
