Enter "In-Kind (description)" in the Please Describe column.

See IRS Mileage Reimbursement Rates.

See IRS Approved Volunteer Rates.

The following instructions will help guide you on how to to calculate the value of volunteer services for matching funds:

There is no federal rate for volunteer services. Organizations that already have employees performing these activities may use their own rate of pay. If you do not have employees in a similar position you may use the amount that would be paid for the activity in your location. Assistance in determining the value of volunteer services and other salaries is available using the <u>Bureau of Labor Statistics Occupational Employment Statistics Program</u>. Please refer to IRS Publication 4671 for more information. Subrecipients can also get matching funds and help with tax information regarding their grants at <u>VITA Grant Program FAQs</u>.

5310 Application Overview In-Kind Match

- Value of *non-cash* contributions
- May be in the form of real property, equipment, supplies, services, and other expendable property
- In-Kind match must be documented on the local match page of the application to ensure it is allowable by the FTA

<u>Common In-Kind Contributions – 5310</u>

- Volunteer Drivers
 Donated goods and services
- Equipment or space
 Employees of other organizations
- Participation in Coordination Activities

5310 Application Overview In-Kind Match Eligibility

In-kind Contributions:

- Verifiable in the sub-recipient's records.
- Necessary and reasonable for proper and efficient in meeting project or program objectives.
- **Allowable** under the applicable cost principles.

5310 Application Overview In-Kind Match

In-Kind Contributions:

- Not paid by the Federal Government under another award, except where authorized by Federal statute to be used for cost sharing or matching.
- Provided for in the **approved budget**.
- Conform to other grant provisions for federal regulations (Uniform Administrative requirements).

5310 Application Overview Recording In-Kind Contributions

- Maintain adequate documentation to support amounts claimed as match
- Maintain same documentation for both Federal share and for grantee's share
- Documentation must meet same standards as other expenditures within organization
- Record donation and valuation of item in detail

• Enter into the General Ledger as income and expenditure

 Failure to enter match contributions into general ledger requires a formal explanatory policy and separate spreadsheet accountability of receipt and use

5310 Application Overview Valuing In-Kind Contributions

- Use fair market price
- Consider what it would cost to obtain similar goods or services in the geographic area
- The donor must provide the value of the donation
- Review the donation letter or form to ensure the value is reasonable

*The IRS defines fair market value as the price that item would sell for the open market.
