RE: I-10 Gila River Indian Community Project
010 MA 161 F0721 01C
010-C-NFA
Project Listing on the C&S Website

To All Proposers:

The Arizona Department of Transportation (ADOT) would like to clarify that the subject Project is now listed under the “Public Private Partnership (P3) Projects” on the ADOT Contracts and Specifications Group’s “Current Alternative Delivery Projects” website because the Project procurement will follow ARS, Title 28, Chapter 22, Article 1 as stated in RFQ Section 3.01(A). However, the Project procurement documents during the RFQ phase will be available under “Design Build” on the ADOT Contracts and Specifications Group’s “Current Alternative Delivery Projects” website.

ADOT looks forward to continuing its constructive engagement with Proposers during the course of this procurement.

Sincerely,

Mr. Sarker Rahman
ADOT Procurement Manager
Arizona Department of Transportation
