

Appendix K – ITS Standards Pertinent to the Arizona Statewide ITS Architecture

ElementName	Standard Title	Standard Number	SDO
ADEQ Arizona Emissions Management	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADEQ Arizona Emissions Management	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADEQ Arizona Emissions Management	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT 511 IVR	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT 511 IVR	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT 511 Website	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT 511 Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT 511 Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Communications PIO	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Communications PIO	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Communications PIO	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Crash Reporting Information System (CRIS)	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Crash Reporting Information System (CRIS)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Crash Reporting Information System (CRIS)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT CV Roadside Equipment	Dedicated Short-Range Communications Roadside Unit Specifications (FHWA-JPO-17-589)	CTI 4001	Not Applicable

ElementName	Standard Title	Standard Number	SDO
ADOT CV Roadside Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT CV Roadside Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT DEOC-Dept EM Ops Center	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT DEOC-Dept EM Ops Center	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT DEOC-Dept EM Ops Center	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Dust Detection Software System	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Dust Detection Software System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Dust Detection Software System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT DUST Detection System	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT DUST Detection System	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT DUST Detection System	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT DUST Detection System	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT DUST Detection System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT DUST Detection System	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT DUST Detection System	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT DUST Detection System	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT DUST Detection System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT DUST Detection System	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT ECD CVO Administration Center	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT ECD CVO Administration Center	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT ECD CVO Administration Center	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT ECD Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT ECD Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT ECD Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT ECD Operational Communications	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT ECD Operational Communications	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT ECD Operational Communications	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT ECD Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT ECD Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Electronic Bypass Stations	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Electronic Bypass Stations	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Engineering Districts	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT Engineering Districts	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Engineering Districts	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Fiber Backbone	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Fiber Backbone	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT HazMat Response Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT HazMat Response Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT HazMat Response Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT HazMat Response Team	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT HazMat Response Team	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT HazMat Response Team	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT HPMS Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT HPMS Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT HPMS Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Incident Response Unit (IRU)	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Incident Response Unit (IRU)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Incident Response Unit (IRU)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology

ElementName	Standard Title	Standard Number	SDO
ADOT IRU Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT IRU Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT ITS Field Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT ITS Field Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT ITS Field Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT ITS Field Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT ITS Field Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT ITS Field Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT ITS Field Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT ITS Field Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT ITS Field Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT ITS Field Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT Mainline Detection	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT Mainline Detection	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT Mainline Detection	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT Mainline Detection	Dedicated Short-Range Communications Roadside Unit Specifications (FHWA-JPO-17-589)	CTI 4001	Not Applicable
ADOT Mainline Detection	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT Mainline Detection	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Mainline Detection	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT Mainline Detection	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT Mainline Detection	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT Mainline Detection	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Mainline Detection	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT Maintenance and Construction Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Maintenance and Construction Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Maintenance Work Zone Field Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT Maintenance Work Zone Field Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT Maintenance Work Zone Field Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Maintenance Work Zone Field Equipment	Dedicated Short-Range Communications Roadside Unit Specifications (FHWA-JPO-17-589)	CTI 4001	Not Applicable
ADOT Maintenance Work Zone Field Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT Maintenance Work Zone Field Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Maintenance Work Zone Field Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT Maintenance Work Zone Field Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT Maintenance Work Zone Field Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT Maintenance Work Zone Field Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Maintenance Work Zone Field Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT Motor Vehicle Division (MVD) Database	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Motor Vehicle Division (MVD) Database	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Motor Vehicle Division (MVD) Database	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT MVD Commercial Vehicle Administration	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT MVD Commercial Vehicle Administration	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Rapid Notification System	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Rapid Notification System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Rapid Notification System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Regional Traffic Operations	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Regional Traffic Operations	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization

ElementName	Standard Title	Standard Number	SDO
ADOT Regional Traffic Operations	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Regional Traffic Ops Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Regional Traffic Ops Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Roadside Comm Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT Roadside Comm Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT Roadside Comm Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Roadside Comm Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT Roadside Comm Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Roadside Comm Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT Roadside Comm Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT Roadside Comm Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT Roadside Comm Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Roadside Comm Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT RWIS	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT RWIS	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT RWIS	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT RWIS	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT RWIS	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT RWIS	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT RWIS	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT RWIS	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT RWIS	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT RWIS	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
ADOT Service Monitor System for Connected Vehicle	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Service Monitor System for Connected Vehicle	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Service Monitor System for Connected Vehicle	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Systems Maintenance	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Systems Maintenance	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Systems Maintenance	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Systems Maintenance Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Systems Maintenance Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT TOC and EMC	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
ADOT TOC and EMC	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT TOC and EMC	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT TOC Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT TOC Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT TOC Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT TOC Traffic Information Center	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT TOC Traffic Information Center	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Truck Parking Availability System (TPAS)	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Truck Parking Availability System (TPAS)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Truck Parking Availability System (TPAS)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Truck Parking Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Truck Parking Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Virtual Port Technologies	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Virtual Port Technologies	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT WIM Stations	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT WIM Stations	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology

ElementName	Standard Title	Standard Number	SDO
ADOT Wrong Way Driver Detection System	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
ADOT Wrong Way Driver Detection System	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
ADOT Wrong Way Driver Detection System	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
ADOT Wrong Way Driver Detection System	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
ADOT Wrong Way Driver Detection System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ADOT Wrong Way Driver Detection System	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
ADOT Wrong Way Driver Detection System	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
ADOT Wrong Way Driver Detection System	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
ADOT Wrong Way Driver Detection System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ADOT Wrong Way Driver Detection System	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
Arizona Administrative Office of the Courts	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Arizona Administrative Office of the Courts	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Arizona Administrative Office of the Courts	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Arizona Criminal Justice Information System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Arizona Criminal Justice Information System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Arizona State Office of Highway Safety	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
Arizona State Office of Highway Safety	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Arizona State Office of Highway Safety	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
ATTP Tribal Coordination Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
ATTP Tribal Coordination Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
AZTech RADS Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
AZTech RADS Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
AZTech RADS Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
AZTech Regional Info System (ARIS)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
AZTech Regional Info System (ARIS)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Basic Private Vehicle	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Basic Private Vehicle	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
BIA Western Regional Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
BIA Western Regional Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Caltrans ITS Field Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
Caltrans ITS Field Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
Caltrans ITS Field Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
Caltrans ITS Field Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
Caltrans ITS Field Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Caltrans ITS Field Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
Caltrans ITS Field Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
Caltrans ITS Field Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
Caltrans ITS Field Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Caltrans ITS Field Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
Caltrans Truck Parking Availability System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Caltrans Truck Parking Availability System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
CBP Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
CBP Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
CHP Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
CHP Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
CHP Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization

ElementName	Standard Title	Standard Number	SDO
Cities and Towns Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns EOC-EMC	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns EOC-EMC	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns EOC-EMC	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Fiber Backbone	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Fiber Backbone	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns ITS Field Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
Cities and Towns ITS Field Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
Cities and Towns ITS Field Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns ITS Field Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
Cities and Towns ITS Field Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns ITS Field Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
Cities and Towns ITS Field Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
Cities and Towns ITS Field Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
Cities and Towns ITS Field Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns ITS Field Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
Cities and Towns MCO Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns MCO Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns MCO Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns MCO Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns MCO Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Police and Fire Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns Police and Fire Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Police and Fire Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Police and Fire Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Police and Fire Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Public Works	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns Public Works	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Public Works	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Public Works Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Public Works Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns TIC and Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization

ElementName	Standard Title	Standard Number	SDO
Cities and Towns TIC and Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns TMC-TOC	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns TMC-TOC	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns TMC-TOC	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Transit Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Transit Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Transit Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Transit Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Weather Flood Alerts	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee
Cities and Towns Weather Flood Alerts	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
Cities and Towns Weather Flood Alerts	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Cities and Towns Weather Flood Alerts	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
Cities and Towns Weather Flood Alerts	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Weather Flood Alerts	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
Cities and Towns Weather Flood Alerts	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
Cities and Towns Weather Flood Alerts	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association

ElementName	Standard Title	Standard Number	SDO
Cities and Towns Weather Flood Alerts	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Cities and Towns Weather Flood Alerts	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
Cities and Towns Wireless Radio	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Cities and Towns Wireless Radio	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Commercial Vehicle Driver and Vehicle Verification Systems	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Commercial Vehicle Driver and Vehicle Verification Systems	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Commercial Vehicle Driver and Vehicle Verification Systems	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Commercial Vehicle Enforcement Partnership System	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Commercial Vehicle Enforcement Partnership System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Commercial Vehicle Enforcement Partnership System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Commercial Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Commercial Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Container Systems (freight)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Container Systems (freight)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
County Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
County Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization

Rail Grade Wayside Warning Systems	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
Rail Grade Wayside Warning Systems	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Rail Grade Wayside Warning Systems	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
Rail Grade Wayside Warning Systems	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Rail Grade Wayside Warning Systems	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
Rail Grade Wayside Warning Systems	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
Rail Grade Wayside Warning Systems	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
Rail Grade Wayside Warning Systems	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology

ElementName	Standard Title	Standard Number	SDO
Rail Grade Wayside Warning Systems	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
Safety Fitness Electronic Record (SAFER)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Safety Fitness Electronic Record (SAFER)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
State Universities Data Archives	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
State Universities Data Archives	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
State Universities Data Archives	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Transit Providers Dispatch (Public and Private)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Transit Providers Dispatch (Public and Private)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Transit Providers Vehicles (Public and Private)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Transit Providers Vehicles (Public and Private)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal Data Archive	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Tribal Data Archive	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Data Archive	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal Fiber for Communications	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Fiber for Communications	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal ITS Field Equipment	Advanced Transportation Controller	ITE ATC 5201	Advanced Traffic Controller Joint Committee

ElementName	Standard Title	Standard Number	SDO
Tribal ITS Field Equipment	Application Programming Interface Standard for the Advanced Transportation Controller	ITE ATC 5401	Advanced Traffic Controller Joint Committee
Tribal ITS Field Equipment	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Tribal ITS Field Equipment	Hardware Standards for Dynamic Message Signs (DMS) With NTCIP Requirements	NEMA TS4	National Electrical Manufacturers Association
Tribal ITS Field Equipment	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal ITS Field Equipment	Intelligent Transportation System Standard Specification for Roadside Cabinets	ITE ATC 5301	Advanced Traffic Controller Joint Committee
Tribal ITS Field Equipment	Model 2070 Controller Standard	ITE ATC 5202	Advanced Traffic Controller Joint Committee
Tribal ITS Field Equipment	Portable Traffic Signal Systems (PTSS) Standard	NEMA TS 5	National Electrical Manufacturers Association
Tribal ITS Field Equipment	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal ITS Field Equipment	Traffic Controller Assemblies with NTCIP Requirements	NEMA TS2	National Electrical Manufacturers Association
Tribal MCO Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Tribal MCO Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal MCO Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal MCO Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal MCO Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal Police and Fire Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Police and Fire Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology

ElementName	Standard Title	Standard Number	SDO
Tribal Public Safety Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Tribal Public Safety Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Public Safety Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal TMC-TOC-TIC	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Tribal TMC-TOC-TIC	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal TMC-TOC-TIC	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal Transit Centers	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Transit Centers	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Tribal Transit Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Tribal Transit Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
US Border Patrol Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
US Border Patrol Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
US Border Patrol Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
US Border Patrol Vehicles	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
US Border Patrol Vehicles	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
US VISIT System	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization

ElementName	Standard Title	Standard Number	SDO
US VISIT System	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Utah State Police Dispatch	Cyber and Physical Security for Intelligent Transportation Systems	NEMA TS 8	National Electrical Manufacturers Association
Utah State Police Dispatch	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Utah State Police Dispatch	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Wide Area Alerting Systems	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Wide Area Alerting Systems	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
YCAT Buses	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
YCAT Buses	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
YCAT Kiosks	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
YCAT Kiosks	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
YCAT Transit Passes	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
YCAT Transit Passes	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
YCAT Website	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
YCAT Website	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
Yuma County Area Transit (YCAT)	Intelligent transport systems -- Communications access for land mobiles (CALM) -- Architecture	ISO 21217	International Organization for Standardization
Yuma County Area Transit (YCAT)	Security Requirements for Cryptographic Modules	NIST FIPS PUB 140-2	National Institute for Standards and Technology
