

OVERVIEW

The Arizona Department of Transportation is starting construction to widen and improve Loop 202 (Santan Freeway) from Loop 101 (Price Freeway) to Val Vista Drive. Loop 202 is the main freeway serving the southeast Valley. Improvements are needed to address growing traffic demands in the southeast Valley and help relieve traffic congestion on Loop 202 during the morning and evening peak travel periods.

PROJECT ELEMENTS

- ▶ Adding two general purpose lanes in each direction from the Loop 202/Loop 101 interchange to Gilbert Road
- ▶ Adding one general purpose lane in each direction from Gilbert Road to Val Vista Drive
- ▶ Widening off-ramps and overpass bridges
- ▶ Reconstructing the eastbound Loop 202 on-ramp and bridge at Arizona Avenue
- ▶ Adding noise walls where warranted
- ▶ Removing the existing asphalt pavement and diamond grinding the existing concrete pavement to provide a smooth roadway surface

WHAT TO EXPECT

Construction is anticipated to start in August 2024 and take approximately two and a half years to complete.

- ▶ Work will require lane restrictions and full closures on Loop 202, the interchange ramps and cross streets, and will occur primarily during overnight hours and weekends to minimize traffic impacts. Access to businesses and residences will be maintained.

- ▶ Long-term ramp closures and lane closures will be needed (approximately 14 to 60 days).
- ▶ Long-term crossroad lane closures on Arizona Avenue and Lindsay Road will be needed (approximately 32 weeks and 17 weeks respectively.)
- ▶ ADOT will provide advance notice of restrictions and closures to email subscribers and on the project website.

MORE INFORMATION/SUBSCRIBE FOR UPDATES

ADOT welcomes your questions and comments. Please contact us in any of these ways:

- ▶ **PROJECT WEBSITE:** For more information and to subscribe for traffic alerts by email visit azdot.gov/L202-L101-to-ValVista
