

I-19 Irvington Traffic Interchange Project Landscape & Aesthetics

ADOT

ICONS

Icons will be used on the new retaining walls and abutments. Final designs of icons will be included in future submittals.

RETAINING WALLS

Mountain Concept (from the Ajo TI) will be used on the new retaining walls.

PEDESTRIAN FENCING

Triangle Concept (from the Ajo TI) will be used on the new pedestrian fencing.

PAINT COLORS

Same paint colors used on the Ajo Traffic Interchange will be used on this project.

BRIDGE PIERS

Saguaro Concept will be used on the new bridge piers.

DESERT LANDSCAPING

Desert Landscaping (similar to the I-10/I-19 Interchange) will be included as part of this project.
