

State Highway-Rail Grade Crossing **Action Plan**

The Arizona Department of Transportation (ADOT) is currently developing the Arizona State Highway-Rail Grade Crossing Action Plan (SHRAP). The questions/answers provided here give more information on this important project:

Question: What is a SHRAP? **Answer: A SHRAP is a plan for how best to promote safety at the nearly 700 active public highway-railroad crossings in Arizona.**

Question: Why is ADOT developing a SHRAP? **Answer: Railroad crossings present the potential for conflicts between trains and other users at the crossings. Improving safety on Arizona's roads is a top priority for ADOT, but it takes intentional planning to bring about effective safety improvements. Every state is required to develop a SHRAP.**

When will the SHRAP be completed? **The federal deadline for submittal of the SHRAP is February 14, 2022.**

Where can I get more information or provide input on the project? **Go to the SHRAP project website at www.azdot.gov/railcrossingplan.**
