

Interstate 10: Mileposts 345 to 357

PAVEMENT REHABILITATION PROJECT

OVERVIEW

The Arizona Department of Transportation is conducting a pavement rehabilitation project on east- and westbound Interstate 10 located between Willcox and Bowie (mileposts 345 to 357), to improve the roadway pavement condition.

PROJECT ELEMENTS

- ▶ Replace existing pavement with new asphalt
- ▶ Repair existing bridge decks and concrete box culverts
- ▶ Replace guardrails
- ▶ Complete new pavement markings and other related work

PROJECT SCHEDULE

Construction is scheduled to begin February and is expected to be completed by the end of 2026.

Schedules are subject to change because of weather and other unforeseen situations.

WHAT TO EXPECT

- ▶ Lane restrictions and speed reductions in the work zone are expected.
- ▶ One lane of travel in each direction will be maintained throughout the project.
- ▶ Temporary ramp closures are expected during milling and paving.
- ▶ Construction work hours are tentatively scheduled from 6 a.m. to 5 p.m. Monday through Friday, with the potential for occasional overnight work.

ADOT will provide advance notice of restrictions and closures to email subscribers. To sign up for traffic alerts, visit the project website.

Drivers should be prepared to slow down when approaching the work zone, expect delays and allow for extra time when traveling through the area.

STAY INFORMED

Visit the project website at azdot.gov/i10-willcox-bowie for more information and to subscribe for project updates by email.
