

SR 260 Lion Springs Improvement Project

PROJECT FACT SHEET

OVERVIEW

The Arizona Department of Transportation has initiated a widening project on State Route 260 in Star Valley east of Payson.

PROJECT ELEMENTS

Major elements of the project include:

- ▶ One additional travel lane in each direction between mileposts (MP) 256 to 260
- ▶ A center-turn lane between MP 256-257 and center median between MP 257-260
- ▶ A new frontage road for the Diamond Point subdivision
- ▶ Three wildlife crossings
- ▶ A dedicated right-turn lane for eastbound SR 260 at Lion Springs Road and westbound SR 260 at Dealers Choice Road
- ▶ Other project elements include improving and/or installing drainage and sediment-control facilities, including box culverts, pipes and ditches; removing, replacing and extending guardrail, as needed; and other related work

PROJECT SCHEDULE

The work is scheduled to begin June 1, 2026. The project will take approximately two and one-half years to complete, which includes work pauses during winter months.

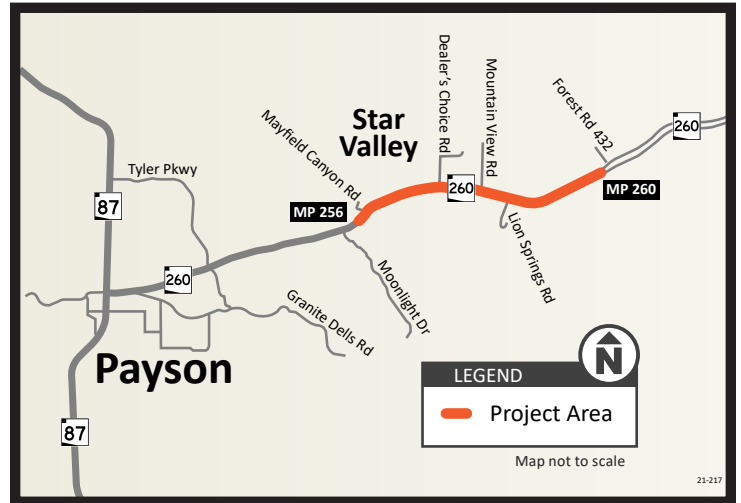

WHAT TO EXPECT

Intermittent daytime lane restrictions along SR 260 will be in place from 6 a.m. to 6 p.m. Mondays through Thursdays and 6 a.m. to noon on Fridays, as needed.

One travel lane in each direction will be maintained on SR 260 during construction. When needed, flaggers and a pilot car will move drivers through the work zone. ADOT advises drivers to plan for delays while the work is underway.

STAY INFORMED
