

I-8 and I-10, Queue Warning System and DMS Installation

PROJECT FACT SHEET

OVERVIEW

The Arizona Department of Transportation is starting a project to install Queue Warning and Dynamic Message Board systems and flashing beacons on Interstate 10 and I-8 within La Paz and Maricopa counties.

PROJECT ELEMENTS

- ▶ Install a Queue Warning System including flashing beacons, thermal detector poles, cabinets, foundations, roadside signs and conduit
- ▶ Install Dynamic Message Boards including poles, foundations, pull boxes, conduit and associated equipment
- ▶ Install pole-mounted CCTV cameras and associated equipment
- ▶ Install aluminum sign panels, flashing beacons, and associated equipment
- ▶ Replace and install new guardrail
- ▶ Align and smooth new pavement to match existing pavement

PROJECT SCHEDULE

The project is scheduled to begin late summer 2026 and is expected to take 6 months to complete.

WHAT TO EXPECT

ADOT will provide advance notice of restrictions and closures to email subscribers and on the project traffic alert web page.
