

I-19 Irvington Traffic Interchange Project Landscape & Aesthetics

ICONS
Icons will be used on the new retaining walls and abutments.

RETAINING WALLS
Mountain Concept (from the Ajo Traffic Interchange) will be used on the new retaining walls.

PEDESTRIAN FENCING
Triangle Concept (from the Ajo Traffic Interchange) will be used on the new pedestrian fencing.

PAINT COLORS
Same paint colors used on the Ajo Traffic Interchange will be used on this project.

BRIDGE PIERS
Saguaro Concept will be used on the new bridge piers.

DESERT LANDSCAPING
Desert Landscaping (similar to the I-10/I-19 Traffic Interchange) will be included as part of this project.
