

# SR 179 Pavement Preservation Red Rock Ranger Station to Chapel Road

## OVERVIEW

The Arizona Department of Transportation has initiated a pavement preservation project along State Route 179 between the Red Rock Ranger Station just south of the Village of Oak Creek and Chapel Road (mileposts 304-311).

## PROJECT ELEMENTS

- ▶ Remove and replace the top layer of pavement
- ▶ Replace pavement markings and other miscellaneous work

## PROJECT SCHEDULE

The project, which is approximately 10 miles south of Sedona, is expected to be under construction in mid-June 2026 and anticipated for completion by fall 2026.

## WHAT TO EXPECT

- ▶ SR 179 will be reduced to one lane only in the project area with alternating north- and southbound travel. Flaggers and a pilot car will move drivers through the work zone. There will be a 12-foot vehicle width restriction.
- ▶ All work is scheduled to take place overnight from 9 p.m. to 6 a.m. Sunday evenings through Friday mornings. Restrictions will be lifted each morning after the overnight work is completed.
- ▶ ADOT advises drivers to plan for delays while the work is underway.
- ▶ ADOT will provide advance notice of restrictions and closures to email subscribers (see “Stay Informed” section on how to subscribe).

## STAY INFORMED

Visit the project website at [azdot.gov/SR179Pave](https://azdot.gov/SR179Pave) for more information and to subscribe for project updates by email.
