

Key		MATERIALS SUBCOMMITTEE TRACKING TABLE												
	In Revision	Includes Materials Requests Approved for Consideration by Standards Committee												
	Other Subcommittee has lead	Updated: 10/15/2020												
Tracking #	Standard/Title	Description of Task	Commentary	Task Force Members	Affect Bidding	Date Permission to Proceed	Subcommittee Due Date	Task Force/Subcomm Completion Date	Group Manager Approval	FINAL DUE DATE (or Committee Approval)	Priority Level	FHWA Approval Date	Date Published	
19-0028	1001MATL and 104.12	Update to reflect current operations for source approval	Develop joint subcommittee plan with Bridge & Materials	Julia Manfredi, Dylan Cardie, Ed Green, Dale Choyeski	No	7/18/2019	6/18/2020	6/18/2020	Y	7/16/2020 9/17/2020	3			
19-0040	1014 Geosynthetics	Tensar submitted request to update the geogrid/geosynthetic specification	Revised with Learning Centers SPR 722 Research/Revision of Specification Appendix U	Brent Conner, Scott Weinland, Jay Daily, Kent Henderson	Yes	11/21/2019	7/20/2020	7/20/2020	Y	8/20/2020	3	9/22/2020	10/5/2020	
20-0022	404 Bituminous Treatments	Submitted on behalf of Scott Weinland: address requirements for fog coats, application rates, and other clarity items.	Will be creating a NEW Stored Specification for chip seal	Beth Machosky, Scott Weinland, Nye McCarty, Jeff Smith (Cactus), Jessica Banner	Yes	5/21/2020	8/17/2020	8/17/2020	Y	10/15/20 12/17/2020	3			
20-0023	401-4.02 PCCP Pavement Smoothness	Submitted from Larry Scoffield and James Hartman: Removing profilograph system and replacing with IRI (International Roughness Index) and create a Stored Spec for AR-ACFC Removal			Yes	7/16/2020	Roadway has Lead			10/15/2020				
20-0024	1012 Guardrail	Submitted by Chip Bremer (TWC) revise to allow the use of all timber species approved for treatment by AWPAs - Southern Yellow Pine	Task Force: Materials Lead/RDWY.	Beth Machosky, Chip Bremer, Kim Merritt, Charles Coleman, Pedram Shafieian, Robert Brooke, David Lozano	Yes	7/16/2020	9/15/2020	9/15/2020	Y	10/15/2020	3			
20-0025	1005 Bituminous Materials For Surfacing	Revisions in Table 1a (PG 76-22 TR+), 1b (PG 70-22 TR+) and 1c (PG 64-28 TR+.) SBS modified binder will be added and will cover the SBS modified binder grades PG64, PG70, and PG76. 10/15/2020 - Adding to this request is the incorporation of Policy and Procedure Directive #8 - Sampling, Testing, and Acceptance of Emulsified Bituminous Materials.		Dharminder Sharma, Josh Bailey, Nye McCarty, Scott Weinland, Robert McGennis, Travis Elliot, Sam Huddleston, Brian Waterbury, Mo Rahman, Joe Phillips	Yes	7/16/2020	10/19/2020	10/19/2020		12/19/2020	3			
20-0027	1003 Reinforcing Steel	Reference to AASHTO M 55 should be updated to the current Standard of AASHTO M 336. Also, there will be other revisions as needed due to the current update of Specification 910 Concrete Barriers. 10/15/2020 - Adding to this request is the incorporation of Policy and Procedure Directive #1 - Sampling, Testing, and Acceptance of Reinforcing bars into the Specification 1003 REBAR.		Alex Galvez, Brent Conner, Shane Litte, Amjad Alzubi, David Benton, Brian Gallimore, Beth Machosky, JT Wright	Yes	8/20/2020	9/15/2020	9/15/2020		10/15/2020 12/19/2020	3			
20-0028	404 Chip Seal	Develop a brand new Specification specifically for chip seal bituminous treatments.	This will be a Stored Specification of 404BITUM	Beth Machosky, Scott Weinland, Nye McCarty, Jeff Smith (Cactus), Jessica Banner, Kevin Roberston, Jerry James	Yes	8/20/2020	11/17/2020	11/17/2020		12/17/2020	3			
20-0029	402 PCCP Repairs	Update specification section 402 PCCP spall repair material requirements to reduce construction duration of diamond grinding and other pavement smoothness processes.		Jessica Banner, Kevin Roberston, Beth Machosky, Don Cornelison, Brian Gallimore, Reed Dalbik, John Havarson	Yes	8/20/2020	9/15/2020	9/15/2020		10/15/2020 12/17/2020	3			
20-0030	303 Aggregate Subbase and Aggregate Base	Correct conflict in the ability to use existing aggregate base course material. Update the means and methods of mechanical mixing of reclaimed material in order to achieve spec material	Request sent in from Brian Gallimore	Materials Subcommittee Members	Yes	8/20/2020	11/17/2020	11/17/2020		12/17/2020	3	10/6/2020
