

Standards Committee Workflow Process As of March 24, 2020

**Definitions**  
 SCE : Standard & Compliance Engineer  
 SCC : Subcommittee Chair

**Record Keeping**  
 SCE & CO will keep/maintain records of request & approvals

**URGENT STANDARDS (Drawings, Specification and Test method)**  
 At times the State Engineers Office may need to bypass the standards committee process for urgent standards that need to be implemented immediately. Once the action is taken the standard will be brought to the committee for discussion.
