Dear Mr. Byers,

Thank you very much for being open to this request and coming up with a viable solution. It is incredibly helpful and I cannot thank you enough.

I would like to request a state grant in the amount of \$624,136.34 to pay for the bid alternate for AIP 3-04-0019-031-2020 (ADOT TRACS# E0G1A). This portion of the road is ineligible for FAA funding due to being in the updated Runway Protection Zone. I recognize that, as a rule, this ineligible portion would also be ineligible for a state/local grant from ADOT. The Airport Sponsor would be responsible for the added cost. In this case, ADOT is the sponsor, but GCN does not have a capital improvement budget as other airports do from which to draw these funds.

I would like to request an eligibility waiver from you and the STB so that we may be awarded a grant to fund this ineligible section. We can justify this on the grounds that ADOT, as the Airport Sponsor of Grand Canyon National Park Airport, has the statutory obligation to support the airport's operations and maintenance, of which capital improvements are a necessity. (A.R.S. 28-8242 C.3)

Thank you again, and I very sincerely appreciate you and Don helping us overcome this obstacle.
