INTRODUCTION

This guide is designed to assist with payment reporting in the Arizona Department of Transportation (ADOT) payment reporting systems. As one of the requirements for participation on federally-funded transportation projects, payment information shall be reported and verified in the following systems:

- ADOT DOORS: [https://adotdoors.dbesystem.com](https://adotdoors.dbesystem.com)
- Arizona LPA DBE System: [https://arizonalpa.dbesystem.com](https://arizonalpa.dbesystem.com)

For clarification on the terms used in this guide, contractor and subcontractor are synonymous with consultant and subconsultant respectively.

Monthly Payment Audit Cycle

1. Audit opens on the 1st of the month for previous month payments, (example: December audit opens on 1st of January).
2. Prime has until the 15th of the month to complete reporting phase.
3. Subcontractors and lower-tier subs have until the end of the month to complete verification phase. Any payments not verified within 45 days will be automatically confirmed.
