Unscramble the letter groups to spell the red, bolded words from the paragraphs on the right.

The Adopt a Highway Volunteer Program is an important program for **Arizona**. Over 1,100 groups volunteer to **pick** up litter from along the state highways each year. **Permits** are needed to participate on an annual basis, and one-time pick-up permits are also available. Anyone 12 and older can participate.

Last year on National **CleanUp** Day, 1.3 tons of **litter** was removed from along Arizona's highways. That's **huge!** You can help by picking up trash in your own neighborhood! Be sure to be safe, watch for cars and bikes, and wash your hands when you are done! Challenge your friends to see who can pick up the most **trash** from your **neighborhood** on National CleanUp day, September 19, 2020!
