Official Neckwear

The bola tie, which originated in Arizona, is the state's official neckwear. And the silver bola, adorned with turquoise in a variety of patterns, is generally considered

State Gem

Turquoise, the blue green waxy-surfaced stone used for centuries in Arizona Indian jewelry, is the state gem. It can be found throughout the Southwest, and is composed of hydrous oxide of aluminum and copper.

Arizona Highways Magazine

Arizona Highways is published monthly by the Arizona Department of Transportation, a division of state government. Since its inception in 1925, the magazine has grown steadily without benefit of advertising, containing 48 pages of exciting and informative reading and the most colorful viewing imaginable. (The traditional Christmas issue is a full-color extravaganza.) The magazine features history, nostalgia, anthropology, nature, things to see and do, and travel to the most picturesque spots in the state. For subscription information, contact Arizona Highways, 2039 W. Lewis Ave., Phoenix, AZ

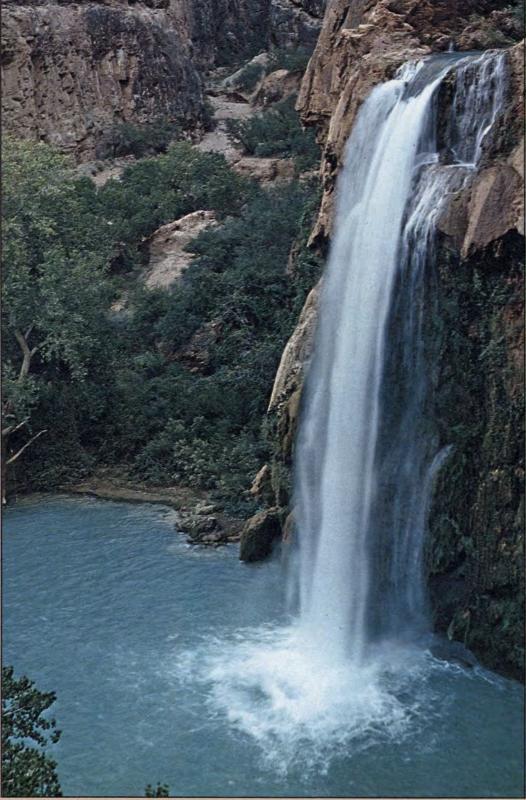

Arizona – Land of All Seasons

In most of Arizona the changing of the seasons is so subtle as to be nearly imperceptible. But as you become familiar with this great land, the colors and moods of the seasons unfold before you as if some great hand was slowly turning a huge kaleidoscope. The multicolored brilliance of the desert flowers of spring flow gently into the infinite blue skies of summer, to the luminous gold cottonwoods of autumn, and the pure white frosted winter mountains. Tour this varied and beautiful land and experience these subtle transitions of color and mood... in Arizona - land of all seasons.
