

State Highway-Rail Grade Crossing **Action Plan**

The Arizona Department of Transportation (ADOT) is currently developing the Arizona State Highway-Rail Grade Crossing Action Plan (SHRAP). The questions/answers provided here give more information on this important project:

Question: What is a SHRAP? Answer: A SHRAP is a plan for how best to promote safety at the nearly 700 active public highway-railroad crossings in Arizona.

Question: Why is ADOT developing a SHRAP? Answer: Railroad crossings present the potential for conflicts between trains and other users at the crossings. Improving safety on Arizona's roads is a top priority for ADOT, but it takes intentional planning to bring about effective safety improvements. Every state is required to develop a SHRAP.

When will the SHRAP be completed? The federal deadline for submittal of the SHRAP is February 14, 2022.

Where can I get more information or provide input on the project? Go to the SHRAP project website at www.azdot.gov/railcrossingplan.

Pursuant to Title VI of the Civil Rights Act of 1964, the Americans with Disabilities Act (ADA) and other nondiscrimination laws and authorities, ADOT does not discriminate on the basis of race, color, national origin, sex, age, or disability. Persons that require a reasonable accommodation based on language or disability should contact ADOT's project information line at 855.712.8530. Requests should be made as early as possible to ensure the State has an opportunity to address the accommodation.
