

Pavement Preservation

INTERSTATE 10: 367TH AVENUE TO 315TH AVENUE

PROJECT OVERVIEW

The Arizona Department of Transportation and Federal Highway Administration are repairing the pavement on Interstate 10 between 367th Avenue and 315th Avenue in Maricopa County, east of Tonopah.

The work consists of removing the existing asphaltic concrete (AC) friction course by milling and replacing with a new bonded overlay. Additional work includes pavement markings and other miscellaneous work.

WHAT TO EXPECT

The project is scheduled to begin spring 2022 with completion anticipated summer 2022.

Drivers are asked to use caution, obey posted speed limits and traffic control devices and use caution around construction personnel and equipment.
