Title VI Program Compliance Plan for FMCSA

This Title VI Program Compliance Plan has been adopted by the Arizona Department of Transportation and is an inclusive plan applicable to the:

Federal Motor Carrier Safety Administration

The Title VI Program Compliance Plan is designed to aid the Civil Rights Office to ensure that there is Title VI compliance throughout ADOT. This document will be reviewed annually to reflect changes in law, administrators, regulations, and/or policy. This document is intended to provide guidance to Department personnel and other interested entities and is not intended to, does not and may not be relied upon to create any right or benefit, enforceable by law by a party against the Department.

A translation of this plan into alternate languages will be made available upon request. For individuals with disabilities, this document will be made available upon request in alternate formats. To obtain a copy in one of these alternate formats or for questions or concerns, please call or write:

ABOUT THE ARIZONA DEPARTMENT OF TRANSPORTATION

The Arizona Department of Transportation (ADOT) is a multi-modal transportation agency serving one of the fastest growing areas of the country. Among many things, ADOT is responsible for planning, building, and operating a complex highway system. In addition, ADOT is responsible for building and maintaining bridges and the Grand Canyon Airport. Finally, major components of ADOT also include the Motor Vehicle Division (MVD), which provides title, registration, and driver license services to the general public and the Enforcement and Compliance Division (ECD) that is committed to the safe and efficient movement of goods and services through the State of Arizona.

ADOT is primarily funded by the people who drive or own private and commercial vehicles, purchase fuel, or use transportation services. Individuals and businesses invest money through fuel taxes, motor carrier fees, vehicle title, registration, and license fees to build and operate the state's transportation systems. About 80% of the money ADOT collects returns to the private sector in the form of paychecks and payment for transportation services and materials. In addition, ADOT is also annually awarded federal funds by the United States Department of Transportation (USDOT) including the Federal Highway Administration (FHWA), Federal Transit Administration (FTA), National Highway Traffic Safety Administration (NHTSA), Federal Aviation Administration (FAA), and Federal Motor Carrier Safety Administration (FMCSA) to help support ADOT's agencies and programs, and their continued growth.

ADOT, with the support of USDOT, is proud to have created a transportation system that creates job opportunities through the planning, building, and maintenance of its projects and other innovative ideas. These projects, in turn, generate economic development and attract a varied workforce to join our community. ADOT consistently strives to successfully deliver a range of transportation projects through the efficient use of funds and the annual proposed budgets.

As a recipient of federal funds through USDOT, ADOT is held to a standard of nondiscrimination as further described in this document. These guidelines, identified as Title VI Nondiscrimination Implementation Program Plan (Title VI Plan), were developed in accordance with federal compliance guidelines. Furthermore, this Title VI Plan has been reviewed by department directors and various agency administrators who are committed to the implementation of these policies.

To request further information, please contact the ADA/Title VI Nondiscrimination Program Coordinator, Krystal Smith, at (602) 712-8946.

1. INTRODUCTION

POLICY OVERVIEW AND OBJECTIVES

In compliance with Title VI of the Civil Rights Act 1964 (Title VI) the Arizona Department of Transportation (ADOT) assures through its policies and procedures that no person shall on the grounds of race, color, or national be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any ADOT or ADOT sponsored program or activity. In addition to Title VI, ADOT's Title VI Nondiscrimination program extends protections under the following Nondiscrimination statutes: Section 162 (a) of the Federal-Aid Highway Act of 1973 (23 USC 324) (sex), Age Discrimination Act of 1975 (age), Section 504 of the Rehabilitation Act of 1973/ Americans with Disabilities Act of 1990 (disability), Airport and Airway Improvement Act of 1982 (49 U.S.C. 47123) (creed), Executive Order 12898 (Environmental Justice), and Executive Order 13166 (Limited English Proficiency). While ADOT receives funds from various sources, there is no distinction between the sources of funding. Questions about ADOT's Title VI Program may be directed to:

Title VI Nondiscrimination Program objectives:

- I. To be transparent with the public on ADOT's standard operating procedures to ensure nondiscrimination in all ADOT programs and activities.
- II. To assign and clarify roles, responsibilities, and procedures for ensuring compliance with Title VI and all related nondiscrimination statutes.
- III. To assure that all participants and beneficiaries affected by ADOT's programs, projects, and activities receive the services, benefits, and opportunities to which they are entitled without regard to race, color, national origin, creed, age, sex, disability, income status, or limited English proficiency.
- IV. To bring awareness to all ADOT employees, including consultants and contractors performing work on behalf of ADOT of their roles and responsibilities to ensure nondiscrimination in all ADOT programs, services, and activities, regardless of funding source.
- V. To establish procedures for identifying and eliminating discrimination when found to exist.
- VI. To establish ADOT processes for conducting Title VI internal program area reviews and subrecipients reviews to determine effectiveness of the area's compliance activities at all levels.
- VII. To establish ADOT compliance and enforcement procedures to address deficiencies or when noncompliance is determined for internal program areas and subrecipients.

- VIII. To describe the procedures for processing complaints by persons who believe that they have been subjected to discrimination under Title VI in any ADOT service, program, or activity, to include programs administered by ADOT subrecipients.

2. POLICY STATEMENT

TITLE VI/ADA NONDISCRIMINATION POLICY STATEMENT

The Arizona Department of Transportation (ADOT), as policy, assures nondiscrimination compliance on the grounds of race, color, national origin, age, sex, disability, limited English proficiency (LEP) and low-income status as provided by Title VI of the Civil Rights Act of 1964, the Federal-Aid Highway Act of 1973, Section 504 of the Rehabilitation Act of 1973, the Age Discrimination Act of 1975, Americans with Disabilities Act of 1990 (ADA), Executive Order 12898 (Environmental Justice), Executive Order 13166 (Limited English Proficiency), Code of Federal Regulations 49 Part 21, Code of Federal Regulations 23 part 200, Code of Federal Regulations 49 part 303 and related nondiscrimination authorities.

As a condition of receiving federal financial aid from the Federal Motor Carrier Safety Administration (FMCSA) and, in accordance with USDOT 1050.2A, the Director of ADOT signed FMCSA Title VI Assurances in 2022 further pledging the agency's commitment to nondiscrimination.

No person will be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any ADOT program or activity. Every effort will be made to ensure nondiscrimination in all of ADOT's programs and activities, whether those programs and activities are federally funded or not. ADOT's subrecipients, grant recipients, and contractors must also comply with this policy.

The ADOT Civil Rights Office and program areas will work closely to implement their mutual Title VI nondiscrimination program responsibilities. Therefore, each program area will take full responsibility for preventing discrimination and ensuring nondiscrimination compliance in all of ADOT programs and activities.

The Director delegates full authority to Krystal Smith, ADA/Title VI Nondiscrimination Program Coordinator, and her direct reports, as needed, to assist in the effective implementation of the program as appropriate, to oversee and implement Title VI and related nondiscrimination authorities.

3. ASSURANCES

ADOT'S Director is required to sign FMCSA Title VI/Nondiscrimination Assurances pledging ADOT's commitment to nondiscrimination. These FMCSA Assurances were signed by the Director in April 2022.

The United States Department of Transportation
Standard Title VI/Non-Discrimination Assurances
DOT Order No. 1050.2A

The **Arizona Department of Transportation** (herein referred to as the "Recipient"), **HEREBY AGREES THAT**, as a condition to receiving any Federal financial assistance from the United States Department of Transportation (DOT), through the **Federal Motor Carrier Safety Administration (FMCSA)**, is subject to and will comply with the following:

Statutory/Regulatory Authorities

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 Stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 *et seq.*), (prohibits discrimination on the basis of sex);
- Title IX of the Education Amendments of 1972, as amended, (20 U.S.C. § 1681 *et seq.*), (prohibits discrimination on the basis of sex in education programs or activities);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Americans with Disabilities Act of 1990, as amended, (42 U.S.C. § 12101 *et seq.*), (prohibits discrimination on the basis of disability);
- 49 C.F.R. part 21 (entitled *Nondiscrimination In Federally-Assisted Programs Of The Department Of Transportation—Effectuation Of Title VI Of The Civil Rights Act Of 1964*);
- 49 C.F.R. part 27 (entitled *Nondiscrimination On The Basis Of Disability In Programs Or Activities Receiving Federal Financial Assistance*);
- 49 C.F.R. part 28 (entitled *Enforcement Of Nondiscrimination On The Basis Of Handicap In Programs Or Activities Conducted By The Department Of Transportation*);
- 49 C.F.R. part 37 (entitled *Transportation Services For Individuals With Disabilities (ADA)*);
- 49 C.F.R. part 303 (FMCSA's Title VI/Nondiscrimination Regulation);
- 28 C.F.R. part 35 (entitled *Discrimination On The Basis Of Disability In State And Local Government Services*);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

The preceding statutory and regulatory cites hereinafter are referred to as the "Acts" and "Regulations," respectively.

Although not applicable to Recipients directly, there are certain Executive Orders and relevant guidance that direct action by Federal agencies regarding their federally assisted programs and activities to which compliance is required by Recipients to ensure Federal agencies carry out their responsibilities. Executive Order 12898 (1995), entitled “Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations” emphasizes that Federal agencies should use existing laws to achieve Environmental Justice, in particular Title VI, to ensure nondiscrimination against minority populations.

Recipients should be aware that Title VI issues can raise Environmental Justice concerns and FMCSA intends that all Recipients evaluate and revise existing procedures (as appropriate) to address and implement Environmental Justice considerations. See the following FHWA website for more information and facts about Environmental Justice:

http://www.fhwa.dot.gov/environment/environmental_justice/index.cfm

Additionally, Executive Order 13166 on Limited English Proficiency, according to the U.S. Department of Justice in its Policy Guidance Document dated August 16, 2000 (65 Fed. Reg. at 50123), clarifies the responsibilities associated with the *“application of Title VI’s prohibition on national origin discrimination when information is provided only in English to persons with limited English proficiency.”*

When receiving Federal funds Recipients are expected to conduct a Four-Factor Analysis to prevent discrimination based on National Origin. (See also U.S. DOT’s *“Policy Guidance Concerning Recipients’ Responsibilities to Limited English Proficient (LEP) Persons,”* dated December 14, 2005, (70 Fed. Reg. at 74087 to 74100); the Guidance is a useful resource when performing a Four-Factor Analysis).

General Assurances

In accordance with the Acts, the Regulations, and other pertinent directives, circulars, policy, memoranda, and/or guidance, the Recipient hereby gives assurance that it will promptly take any measures necessary to ensure that:

“No person in the United States shall, on the grounds of race, color, national origin, sex, age, disability, low-income, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the Recipient receives Federal financial assistance from DOT, including the FMCSA.”

The Civil Rights Restoration Act of 1987 clarified the original intent of Congress, with respect to Title VI and other Non-discrimination requirements (The Age Discrimination Act of 1975 and Section 504 of the Rehabilitation Act of 1973) by restoring the broad, institutional-wide scope and coverage of these non-discrimination statutes and requirements to include all programs and activities of the Recipient, so long as any portion of the program is Federally-assisted.

Specific Assurances

More specifically, and without limiting the above general Assurances, the Recipient agrees with and gives the following Assurances with respect to its Federally-assisted **FMCSA Program**:

1. The Recipient agrees that each “activity,” “facility,” or “program,” as defined in 49 C.F.R. §§ 21.23 (b) and 21.23 (e) will be (with regard to an “activity”) facilitated, or will be (with regard to a “facility”) operated, or will be (with regard to a “program”) conducted in compliance with all requirements imposed by, or pursuant to the Acts and the Regulations;
2. The Recipient will insert the following notification in all solicitations for bids, Requests For Proposals for work, or material subject to the Acts and the Regulations made in connection with the FMCSA Program and, in adapted form, in all proposals for negotiated agreements regardless of funding source:

“The Arizona Department of Transportation in accordance with the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252, 42 U.S.C. §§ 2000d to 2000d-4) and the Regulations, hereby notifies all bidders that it will affirmatively ensure that any contract entered into pursuant to this advertisement, all contractors will be afforded full opportunity to submit bids in response to this invitation and will not be discriminated against on the grounds of the owner’s race, color, national origin, sex, age, disability, income-level, or LEP in consideration for an award.”;
3. The Recipient will insert the clauses of Appendix A and E of this Assurance in every contract or agreement subject to the Acts and the Regulations;
4. The Recipient will insert the clauses of Appendix B of this Assurance, as a covenant running with the land, in any deed from the United States effecting or recording a transfer of real property, structures, use, or improvements thereon or interest therein to a Recipient;
5. That where the Recipient receives Federal financial assistance to construct a facility, or part of a facility, the Assurance will extend to the entire facility and facilities operated in connection therewith;
6. That where the Recipient receives Federal financial assistance in the form, or for the acquisition of real property or an interest in real property, the Assurance will extend to rights to space on, over, or under such property;
7. That the Recipient will include the clauses set forth in Appendix C and Appendix D of this Assurance, as a covenant running with the land, in any future deeds, leases, licenses, permits, or similar instruments entered into by the Recipient with other parties:
 - a. for the subsequent transfer of real property acquired or improved under the applicable activity, project, or program; and
 - b. for the construction or use of, or access to, space on, over, or under real property acquired or improved under the applicable activity, project, or program.
8. That this Assurance obligates the Recipient for the period during which Federal financial assistance is extended to the program, except where the Federal financial assistance is to provide, or is in the form of, personal property, or real property, or interest therein, or structures

or improvements thereon, in which case the Assurance obligates the Recipient, or any transferee for the longer of the following periods:

- a. the period during which the property is used for a purpose for which the Federal financial assistance is extended, or for another purpose involving the provision of similar services or benefits; or
 - b. the period during which the Recipient retains ownership or possession of the property.
9. The Recipient will provide for such methods of administration for the program as are found by the Secretary of Transportation or the official to whom he/she delegates specific authority to give reasonable guarantee that it, other recipients, sub-recipients, sub-grantees, contractors, subcontractors, consultants, transferees, successors in interest, and other participants of Federal financial assistance under such program will comply with all requirements imposed or pursuant to the Acts, the Regulations, and this Assurance.
10. The Recipient agrees that the United States has a right to seek judicial enforcement with regard to any matter arising under the Acts, the Regulations, and this Assurance.

By signing this ASSURANCE, **the Arizona Department of Transportation** also agrees to comply (and require any sub-recipients, sub-grantees, contractors, successors, transferees, and/or assignees to comply) with all applicable provisions governing the **FMCSA** access to records, accounts, documents, information, facilities, and staff. You also recognize that you must comply with any program or compliance reviews, and/or complaint investigations conducted by the **FMCSA**. You must keep records, reports, and submit the material for review upon request to **FMCSA**, or its designee in a timely, complete, and accurate way. Additionally, you must comply with all other reporting, data collection, and evaluation requirements, as prescribed by law or detailed in program guidance.

The Arizona Department of Transportation gives this ASSURANCE in consideration of and for obtaining any Federal grants, loans, contracts, agreements, property, and/or discounts, or other Federal-aid and Federal financial assistance extended after the date hereof to the recipients by the Department of Transportation under the **FMCSA Program**. This ASSURANCE is binding on Arizona, other recipients, sub-recipients, sub-grantees, contractors, subcontractors and their subcontractors', transferees, successors in interest, and any other participants in the **FMCSA Program**. The person (s) signing below is authorized to sign this ASSURANCE on behalf of the Recipient.

ASSURANCE APPENDIX A

During the performance of this contract, the contractor, for itself, its assignees, and successors in interest (hereinafter referred to as the “contractor”) agrees as follows:

1. **Compliance with Regulations:** The contractor (hereinafter includes consultants) will comply with the Acts and the Regulations relative to Nondiscrimination in Federally-assisted programs of the U.S. Department of Transportation, Federal Motor Carrier Safety Administration (FMCSA), as they may be amended from time to time, which are herein incorporated by reference and made a part of this contract.
2. **Nondiscrimination:** The contractor, with regard to the work performed by it during the contract, will not discriminate on the grounds of race, color, national origin, sex, age, disability, income-level, or LEP in the selection and retention of subcontractors, including procurements of materials and leases of equipment. The contractor will not participate directly or indirectly in the discrimination prohibited by the Acts and the Regulations as set forth in Appendix E, including employment practices when the contract covers any activity, project, or program set forth in Appendix B of 49 CFR Part 21.
3. **Solicitations for Subcontracts, Including Procurements of Materials and Equipment:** In all solicitations, either by competitive bidding, or negotiation made by the contractor for work to be performed under a subcontract, including procurements of materials, or leases of equipment, each potential subcontractor or supplier will be notified by the contractor of the contractor’s obligations under this contract and the Acts and the Regulations relative to Non-discrimination on the grounds of race, color, national origin, sex, age, disability, income-level, or LEP.
4. **Information and Reports:** The contractor will provide all information and reports required by the Acts, the Regulations and directives issued pursuant thereto and will permit access to its books, records, accounts, other sources of information, and its facilities as may be determined by the Recipient or the FMCSA to be pertinent to ascertain compliance with such Acts, Regulations, and instructions. Where any information required of a contractor is in the exclusive possession of another who fails or refuses to furnish the information, the contractor will so certify to the Recipient or the FMCSA, as appropriate, and will set forth what efforts it has made to obtain the information.
5. **Sanctions for Noncompliance:** In the event of a contractor’s noncompliance with the Non-discrimination provisions of this contract, the Recipient will impose such contract sanctions as it or the FMCSA may determine to be appropriate, including, but not limited to:
 - a. withholding payments to the contractor under the contract until the contractor complies; and/or canceling, terminating, or suspending a contract, in whole or in part.
6. **Incorporation of Provisions:** The contractor will include the provisions of paragraphs one through six in every subcontract, including procurements of materials and leases of equipment, unless exempt by the Acts, the Regulations and directives issued pursuant thereto. The contractor will take action with respect to any subcontract or procurement as the Recipient or the FMCSA may direct as a means of enforcing such provisions including sanctions for noncompliance. Provided that if the contractor becomes involved in, or is threatened with litigation by a subcontractor, or supplier because of such direction, the contractor may request the Recipient to enter into any litigation to protect the interests of the Recipient. In addition, the contractor may request the United States to enter into the litigation to protect the interests of the United States.

ASSURANCE APPENDIX B CLAUSES FOR DEEDS TRANSFERRING UNITED STATES PROPERTY

The following clauses will be included in deeds effecting or recording the transfer of real property, structures, or improvements thereon, or granting interest therein from the United States pursuant to the provisions of Assurance 4:

NOW, THEREFORE, the Department of Transportation as authorized by law and upon the condition that the Arizona Department of Transportation will accept title to the lands and maintain the project constructed thereon in accordance with Title 49, Code of Federal Regulations, US Department of Transportation Part 303(FMCSA's Title VI/Nondiscrimination Regulation), the Regulations for the Federal Motor Carrier Safety Administration (FMCSA) Program, and the policies and procedures prescribed by the **FMCSA** of the Department of Transportation in accordance and in compliance with all requirements imposed by Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the Department of Transportation pertaining to and effectuating the provisions of Title VI of the Civil Rights Act of 1964 (78 Stat. 252; 42 U.S.C. § 2000d to 2000d-4), does hereby remise, release, quitclaim and convey unto the **Arizona Department of Transportation** all the right, title and interest of the Department of Transportation in and to said lands described in Exhibit "A" attached hereto and made a part hereof.

(HABENDUM CLAUSE)

TO HAVE AND TO HOLD said lands and interests therein unto **The Arizona Department of Transportation** and its successors forever, subject, however, to the covenants, conditions, restrictions and reservations herein contained as follows, which will remain in effect for the period during which the real property or structures are used for a purpose for which Federal financial assistance is extended or for another purpose involving the provision of similar services or benefits and will be binding on the **Arizona Department of Transportation**, its successors and assigns.

The **Arizona Department of Transportation**, in consideration of the conveyance of said lands and interests in lands, does hereby covenant and agree as a covenant running with the land for itself, its successors and assigns, that (1) no person will on the grounds of race, color, national origin, sex, age, disability, income-level, or LEP be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination with regard to any facility located wholly or in part on, over, or under such lands hereby conveyed [,] [and]* (2) that the **Arizona Department of Transportation** will use the lands and interests in lands and interests in lands so conveyed, in compliance with all requirements imposed by or pursuant to Title 49, Code of Federal Regulations, Department of Transportation, Subtitle A, Office of the Secretary, Part 21, Non-discrimination in Federally-assisted programs of the Department of Transportation, Effectuation of Title VI of the Civil Rights Act of 1964, and as said Regulations and Acts may be amended, and (3) that in the event of breach of any of the above-mentioned non-discrimination conditions, the Department will have a right to enter or re-enter said lands and facilities on said land, and that above described land and facilities will thereon revert to and vest in and become the absolute property of the Department of Transportation and its assigns as such interest existed prior to this instruction.*

*(*Reverter clause and related language to be used only when it is determined that such a clause is necessary in order to effectuate the purpose of Title VI.)*

ASSURANCE APPENDIX C
CLAUSES FOR TRANSFER OF REAL PROPERTY ACQUIRED OR IMPROVED UNDER THE ACTIVITY, FACILITY
OR PROGRAM

- Titles II and III of the Americans with Disabilities Act, which prohibit discrimination on the basis of disability in the operation of public entities, public and private transportation systems, places of public accommodation, and certain testing entities (42 U.S.C. §§ 12131 -- 12189) as implemented by Department of Justice regulations at 28 C.F.R. parts 35 and 36, and Department of Transportation regulations at 49 C.F.R. parts 37 and 38;
- The Federal Aviation Administration’s Non-discrimination statute (49 U.S.C. § 47123) (prohibits discrimination on the basis of race, color, national origin, and sex);
- Executive Order 12898, Federal Actions to Address Environmental Justice in Minority Populations and Low-Income Populations, which ensures non-discrimination against minority populations by discouraging programs, policies, and activities with disproportionately high and adverse human health or environmental effects on minority and low-income populations;
- Executive Order 13166, Improving Access to Services for Persons with Limited English Proficiency, and resulting agency guidance, national origin discrimination includes discrimination because of limited English proficiency (LEP). To ensure compliance with Title VI, you must take reasonable steps to ensure that LEP persons have meaningful access to your programs (70 Fed. Reg. at 74087 to 74100);
- Title IX of the Education Amendments of 1972, as amended, which prohibits you from discriminating because of sex in education programs or activities (20 U.S.C. 1681 *et seq.*), as implemented by 49 C.F.R. § 25.1 *et seq.*

4. DELEGATION OF AUTHORITY

DELEGATION OF AUTHORITY TITLE VI AND EXTERNAL AMERICANS WITH DISABILITIES ACT (ADA) NONDISCRIMINATION PROGRAM

SUMMARY: Through this notice, the Director delegates all compliance authority for the Arizona Department of Transportation Title VI Nondiscrimination program and the External Americans with Disabilities Act program to the ADA/Title VI Nondiscrimination Program Coordinator. The ADA/Title VI Nondiscrimination Program Coordinator reports to the Civil Rights Office Deputy Administrator and Civil Rights Office Administrator.

DATE: Effective upon signature

FOR FURTHER INFORMATION CONTACT: Krystal Smith, ADA/Title VI Nondiscrimination Program Coordinator, 206 S. 17th Ave. Rm 183 MD 155A Phoenix, AZ 85007, 602-712-8946, ksmith2@azdot.gov.

Section A. Authority Delegated

1. The ADA/Title VI Nondiscrimination Program Coordinator is hereby delegated authority and assigned responsibility for directing and managing all aspects of the Title VI programs including providing direction and oversight for Civil Rights administrative services, setting departmental administrative policy, and effectively managing program staff.
2. In addition to what is described above, the ADA/Title VI Nondiscrimination Program Coordinator is hereby delegated authority to carry out the following responsibilities:
 - a. Provide guidance to leadership and management regarding all Title VI responsibilities. This includes identifying facility-related priorities, developing plans, and providing directives for improving nondiscrimination conditions for ADOT employees, customers, and stakeholders.
 - b. Provide ADOT departments and field office staff with Title VI program responsibilities. This includes liaison services for employees designated or identified by ADOT Leadership. Liaisons will be used for the delivery and oversight of Title VI Program duties.
 - c. The ADA/Title VI Nondiscrimination Program Coordinator has full authority to review policies and/or programs developed, administered and/or managed by ADOT to detect possible conflicts with the Title VI program federal requirements. The ADA/Title VI Nondiscrimination Program Coordinator will perform any such additional duties as may be assigned to by the Civil Rights Office Deputy Administrator, Civil Rights Administrator or by applicable law(s) or regulation(s).

- d. The ADA/Title VI Nondiscrimination Program Coordinator will meet with the Director on a quarterly basis, or as needed, to provide guidance on the strengths and weaknesses of the agency's efforts to meet Federal and State compliance requirements.

Section B. Authority to Re-delegate

1. The ADA/Title VI Nondiscrimination Program Coordinator may re-delegate any of the authority delegated under Section A above.

Section C. Authority Excepted

1. The authority delegated in this document does not include the authority to sue or be sued or issue a waiver of Federal law or regulations.

Section D. Statutory/ Regulation Authorities

During the performance of duties, the ADA/Title VI Nondiscrimination Program Coordinator will comply with the following non-discrimination statutes and authorities; including but not limited to:

- Title VI of the Civil Rights Act of 1964 (42 U.S.C. § 2000d *et seq.*, 78 Stat. 252), (prohibits discrimination on the basis of race, color, national origin);
- Federal-Aid Highway Act of 1973, (23 U.S.C. § 324 *et seq.*), (prohibits discrimination on the basis of sex);
- Title IX of the Education Amendments of 1972, as amended, (20 U.S.C. § 1681 *et seq.*), (prohibits discrimination on the basis of sex in education programs or activities);
- Section 504 of the Rehabilitation Act of 1973, (29 U.S.C. § 794 *et seq.*), as amended, (prohibits discrimination on the basis of disability);
- The Age Discrimination Act of 1975, as amended, (42 U.S.C. § 6101 *et seq.*), (prohibits discrimination on the basis of age);
- Americans with Disabilities Act of 1990, as amended, (42 U.S.C. § 12101 *et seq.*), (prohibits discrimination on the basis of disability);
- 49 C.F.R. part 21 (entitled *Nondiscrimination In Federally-Assisted Programs Of The Department Of Transportation—Effectuation Of Title VI Of The Civil Rights Act Of 1964*);
- 49 C.F.R. part 27 (entitled *Nondiscrimination On The Basis Of Disability In Programs Or Activities Receiving Federal Financial Assistance*);
- 49 C.F.R. part 28 (entitled *Enforcement Of Nondiscrimination On The Basis Of Handicap In Programs Or Activities Conducted By The Department Of Transportation*);
- 49 C.F.R. part 37 (entitled *Transportation Services For Individuals With Disabilities (ADA)*);
- 49 C.F.R. part 303 (FMCSA's Title VI/Nondiscrimination Regulation);
- 28 C.F.R. part 35 (entitled *Discrimination On The Basis Of Disability In State And Local Government Services*);
- 28 C.F.R. section 50.3 (U.S. Department of Justice Guidelines for Enforcement of Title VI of the Civil Rights Act of 1964);

Arizona Department of Transportation- Director

DATED 6/2/2022

STAFFING

ADOT Director

The Director is responsible for supervising and administering the overall activities of the department, its divisions and employees. As such, the Director signs all necessary nondiscrimination assurances to aid in ensuring all civil rights requirements are met. Duties or powers are delegated to carry out the efficient operation of the department.

Civil Rights Administrator

The Civil Rights Administrator reports to the ADOT Director through the Chief Human Resources Officer. The Administrator's program oversight includes the following: Title VI/Nondiscrimination; Employee Nondiscrimination (Title VII); Affirmative Action; Contractor Compliance; and the Americans with Disabilities Act (ADA) Programs. To comply with Code of Federal Regulations 49 part 21 and other regulatory statutes, the day-to-day Title VI roles and responsibilities are delegated to the Deputy Civil Rights Administrator.

Deputy Civil Rights Administrator

The Deputy Civil Rights Administrator reports to the Civil Rights Administrator. The Deputy oversees program oversight of the following: Title VI/Nondiscrimination; Employee Nondiscrimination (Title VII); Affirmative Action; Contractor Compliance; and the Americans with Disabilities Act (ADA) Programs. To comply with Code of Federal Regulations 49 part 21 and other regulatory statutes, the day-to-day Title VI roles and responsibilities are delegated to the ADA/Title VI Nondiscrimination Program Coordinators.

ADA/Title VI Nondiscrimination Program Coordinator

The ADA/Title VI Nondiscrimination Program Coordinator reports to the Deputy Civil Rights Administrator. The ADA/Title VI Nondiscrimination Program Coordinator's oversight includes both the day-to-day implementation of the Title VI Nondiscrimination Program as well as the External ADA Program implementation. The Title VI/ADA Nondiscrimination Program Coordinator is the department expert whose responsibilities include:

1. Delegated authority to have a direct line of communication to the ADOT Director.
2. Providing guidance and technical assistance on Title VI matters with overall program responsibility for preparing required reports regarding Title VI compliance and initiating monitoring activities including developing procedures, monitoring and:
 - a. Promptly resolving deficiencies and documenting remedial action within a reasonable period of time not to exceed 90 days;
 - b. Collecting statistical data (race, color, sex, national origin and low-income status) of participants in and beneficiaries of ADOT programs;
 - c. Identifying and eliminating discrimination when found to exist.
3. Ensuring the Title VI Assurances are signed by the current ADOT Director.

4. Complying with ADOT's procedures to investigate Title VI complaints filed with ADOT against its subrecipients; investigate and address complaints filed against ADOT under non-FHWA funded programs.
5. Forwarding all FHWA-related discrimination Title VI complaints filed with ADOT against ADOT or its subrecipients to the FHWA Arizona Division Office.
6. Conducting Title VI reviews of program areas: Planning and Programming, Procurement and Contract Services, Communications and Government Relations, Environmental Planning, Right-of-Way, Transportation System Management and Operations (TSMO), Engineering Consultant and Construction Contract Administration, Research, Local Public Agencies Section (LPA), Aviation Development and Planning, Business Engagement and Compliance, Project Management and Facilities.
7. Regularly reviewing ADOT program directives in coordination with State Program officials, and where applicable, including Title VI and related requirements. ADOT's ADA/Title VI Nondiscrimination Program Coordinator will meet this requirement through review of quarterly Liaison reports, which require reporting any proposed program directives. When it is determined that directives have Title VI implications, the Title VI Program Nondiscrimination Coordinator will work with the program area liaison and program area management to develop recommendations to ensure compliance is achieved.
8. Conducting and coordinating Title VI training for ADOT.
9. Preparing and submitting an annual Title VI Implementation Plan and Title VI report of accomplishments for the past year and goals for next year to FHWA.
10. Updating the Title VI program plans as necessary and submitting to Department of Transportation authorities such as FHWA, FAA, FTA, FMCSA, and NHTSA.
11. Developing Title VI information for distribution to the general public in other languages, as needed.
12. Monitoring public participation and awareness of Title VI policies and procedures for their effectiveness in reaching the public.
13. Developing and overseeing implementation of ADOT's Limited English Proficiency Plan.
14. Monitoring the review of National Environmental Policy Act (NEPA) documents to ensure compliance with Environmental Justice Executive Order 12898, Limited English Proficiency Executive Order 13166 and Title VI.

Title VI Nondiscrimination Program Manager

The Title VI Nondiscrimination Program Manager reports to the ADA/Title VI Nondiscrimination Coordinator. The Title VI Nondiscrimination Program Manager works to assist the ADA/Title VI Nondiscrimination Coordinator in their review and responsibilities over all aspects of the Title VI program. In particular, the Title VI Nondiscrimination Program Manager has the delegated task to focus on internal and external Title VI responsibilities and oversee the Civil Rights Specialists to ensure the day to day compliance with ADOT's IP. The Title VI Nondiscrimination Program Manager's duties include, but will not be limited to:

1. Providing guidance on Title VI matters for subrecipients and overall program responsibility for preparing required reports regarding Title VI compliance and initiating monitoring activities including developing procedures, monitoring and:
 - a. Promptly resolving deficiencies and documenting remedial action within 90 days;
 - b. Ensuring subrecipients develop procedures for the collection of statistical data (race, color, sex, national origin and low-income status) of participants in and beneficiaries of federal aid programs;
 - c. Implementing and overseeing subrecipient Title VI plans and programs to ensure compliance;
 - d. Identifying and eliminating discrimination when found to exist.
2. Ensuring the Title VI Assurances are signed by all subrecipients.
3. Complying with ADOT's procedures to investigate and address non-FHWA funded program Title VI complaints filed with ADOT against its subrecipients.
4. Assist in the updates to the Title VI program plans as necessary for DOT authorities such as; FHWA, FAA, FTA, FMCSA, and NHTSA.
5. Assist in conducting Title VI reviews and training of program areas: Planning and Programming, Procurement and Contract Services, Communications and Government Relations, Environmental Planning, Right-of-Way, Transportation System Management and Operations (TSMO), Engineering Consultant and Construction Contract Administration, Research, Local Public Agencies Section (LPA), Aviation Development and Planning, Business Engagement and Compliance, Project Management and Facilities.
6. Assist in conducting subrecipient annual reviews based on a high risk/low risk assessment.
7. Assist in conducting Title VI training and technical assistance for subrecipients.
8. Complying with federal standards to ensure proper implementation of subrecipients' Limited English Proficiency plans.
9. Providing technical assistance, resources and best practices for aiding subrecipient compliance including providing data collection resources, training, and workgroups.
10. Assist the EJ Program and other CRO compliance programs.

Environmental Justice (EJ) Nondiscrimination Program Manager

The EJ Program Manager reports to the Title VI Nondiscrimination Coordinator. The EJ Program Manager works to assist the Title VI Nondiscrimination Coordinator in their review and responsibilities over all aspects of the EJ compliance and oversight program. The EJ Program Manager also oversees a Civil Rights Specialist to ensure day to day EJ compliance within the program. The EJ Program Manager's duties include, but will not be limited to:

1. Compliance and oversight of Title VI, EJ and Limited English Proficiency (LEP) requirements under ADOT's FHWA NEPA Category Exclusions Assignment (23 U.S.C. 326) and (23 U.S.C. 327)

Assignment which includes all Environmental Impact Statements (EIS), Environmental Assessments (EA) and Categorical Exclusions (CE).

2. Compliance and oversight of Title VI, EJ and LEP requirements for all NEPA projects under all other DOT authorities such as FAA, FTA, FMCSA, and NHTSA.
3. EJ, Title VI and LEP compliance oversight for all NEPA project-related Public Involvement activities and materials.
4. Participates in project meetings as a member of ADOT project teams.
5. Attends ADOT public meetings or hearings to ensure EJ, Title VI and LEP compliance.
6. Creates and conducts EJ training to internal program areas and provides technical assistance on a case by case basis.
7. Collects demographic information and conducts EJ, Title VI and LEP analysis on all ADOT projects and activities in order to review proposed impacts on low-income and or minority communities, potential Title VI disparate impacts and assesses national origin (LEP) engagement and services provided.
8. Complies with ADOT's procedures to investigate and address non-FHWA funded program Title VI complaints filed with ADOT against its subrecipients.
9. Provides guidance on integrating EJ principles into all ADOT programs, as needed.
10. Assists the Title VI Nondiscrimination Program and other CRO compliance programs.

Civil Rights Specialists

The Civil Rights Specialists are responsible for the day-to-day implementation of ADOT's IP and for ensuring compliance with the provisions of Title VI and other nondiscrimination authorities, including Executives Orders for Environmental Justice (EJ) and Limited English Proficiency (LEP). The Civil Rights Specialists' duties include, but will not be limited to the following:

1. Assist in and prepare the annual Title VI Accomplishment Report.
2. Assist in and prepare Title VI Implementation Plans.
3. Coordinate activities related to the effective and efficient implementation of ADOT's Title VI Program.
4. Assist in develop of procedures and processes for preventing discrimination.
5. Addressing and resolving complaints of discrimination promptly under non-FHWA funded programs.
6. Provide Title VI technical assistance, guidance, and training to ADOT staff, subrecipients, state officials, cities, counties, consultants, contractors, suppliers, universities, colleges, planning agencies, and other recipients of federal funds.
7. Develop procedures for collecting statistical data on race, color, and national origin for participants and beneficiaries of federal funds.
8. Develop and publish Title VI information for dissemination to the general public and where appropriate ensure that the information is available in languages other than English.
9. Conduct Title VI annual reviews of all appropriate internal program areas, subrecipients, consultants, contractors, and other recipients of ADOT funds.
10. Develop and oversee processes for obtaining public input, particularly in minority and traditionally underserved areas.

11. Participate in the identification of Title VI impacts and mitigation measures of proposed projects.
12. Attend ADOT public meetings or hearings.
13. Assist in the review of NEPA documents to identify and address social, economic and environmental effects and impacts.
14. Review contractual procedures for consultants and contractors to ensure equity, consistency and that required Title VI contract provisions are included.
15. Provide Title VI, LEP and EJ technical assistance on ADOT multidisciplinary project teams.

TITLE VI LIAISON PROGRAM

To facilitate the inclusion of civil rights requirements in all aspects of ADOT's operations, ADOT has established a Title VI Liaison Program. The Liaison Program's purpose is to ensure all ADOT policies, procedures, and practices are compliant with Title VI and related nondiscrimination authorities.

The Liaison Program consists of one or more liaisons for the Motor Vehicle Division (MVD) and Enforcement and Compliance Division (ECD). The liaisons will work with the Title VI Nondiscrimination Program Manager to ensure their respective areas, programs, and subrecipients comply with Title VI regulations and assurances, collect and analyze demographic data of participants/beneficiaries of programs, meet the objectives of the Title VI Plan, meet federal and state reporting requirements, and provide adequate training opportunities for staff. The Title VI Liaison Program representatives will meet on a quarterly basis to assist in developing ADOT's federal reporting requirements.

5. FEDERAL AID PROGRAMS

All recipients of federal funding must comply with the statutes of Title VI and subsequent acts and provisions. The Enforcement and Compliance Division (ECD) has applied for or is currently a recipient of FMCSA federal financial assistance for the programs described below.

NEW ENTRANT SAFETY ASSURANCE PROGRAM

FMCSA provides federal financial assistance for ADOT's New Entrant Safety Assurance Program. This program was established in 2010 in response to the Motor Carrier Safety Improvement Act of 1999 to reduce safety incidents involving new motor carriers and drivers through increased training and oversight. As part of Enforcement Services, the New Entrant Assurance Unit provides extensive training and monitoring through the thorough and effective regulatory enforcement action necessary to facilitate the safe operation of heavy trucks and buses traversing Arizona highways. This unit also conducts approximately 200 enroute commercial vehicle and driver inspections to increase assurances that commercial drivers and vehicles are both safe and qualified to remain on the road.

The primary public benefit of the New Entrant Safety Assurance Program continues to be the reduction of commercial vehicle related crashes which reduces extensive private property damage, public highway infrastructure damage and major commuter delays in Arizona. Although the ADOT New Entrant Safety Assurance program is specific to Arizona-based motor carriers, these benefits also extend to residents of all other states in which Arizona New Entrant motor carriers operate. A secondary benefit to Arizona recipients includes an increase in employment opportunities, tax revenue and general goods and services purchases associated with a successful Arizona-based motor carrier business entity.

HIGH PRIORITY – INNOVATIVE TECHNOLOGY DEPLOYMENT PROGRAM

FMCSA has provided financial assistance for the High Priority – Innovative Technology Deployment (HP-ITD) Program.

The primary objective of the HP-ITD Program is to implement information systems that support safety information exchange, credentials administration, and electronic screening. HP-ITD is not a new information system, but rather the integration of information systems at the national, state, and local levels. The HP-ITD Program allows trucks to bypass weigh stations by electronically verifying a truck's legal weight, safety rating, and credentials as the truck continues down the road at freeway speeds. These information systems use license plate reader cameras, USDOT number reader cameras, and transponder antennas to identify the carrier and vehicle information. Data about the vehicle is obtained from national and state databases and used in making the sorting decision. Vehicles are instructed to pull into the port of entry or weigh station by dynamic message signs on the roadway, or via an active transponder or Electronic Logging Device in the truck.

Program funding is provided for new or upgraded technologies and for existing and future maintenance activities required to support systems that are part of ADOT's Expanded HP-ITD initiatives. These maintenance activities include vendor provided maintenance and support of applications, professional services costs of contractors supporting the HP-ITD system, as well as internal ADOT support staff resource costs.

Both programs are specific to motor carriers and enable ECD to carry out its safety enforcement and licensing requirements more efficiently. Motor Carrier operators also benefit from less time waiting for individual weighing, review of registrations and safety inspections.

6. DISSEMINATION OF TITLE VI PROGRAM INFORMATION

ADOT has developed a Public Involvement Plan in accordance with FHWA regulation. The plan was approved by FHWA in 2017 and can be found by following this link:

<https://www.azdot.gov/planning/transportation-planning/public-involvement-plan>

In addition to the FHWA Public Involvement Plan; ADOT has established the following ADOT PIP Annex for FMCSA to comply with FMCSA Public Involvement requirements and is available to the public through the below link:

<https://azdot.gov/sites/default/files/2019/09/ADOT-PIP-Annex-for-FMCSA.pdf>

Arizona Department of Transportation Public Involvement Annex to comply with Federal Motor Carrier Safety Administration requirements

ADOT Public Involvement Philosophy

As ADOT strives to create and maintain a transportation system for Arizona that improves the quality of life and bolsters the state's economy, we will include a diversity of voices and viewpoints from across the state that provides valuable insight to help inform the decision-making process. This extends to highway construction and operations, long-range planning, Motor Vehicle Division services, or commercial vehicle enforcement duties.

Public Involvement Requirements

Federal regulations do not specifically define how to perform public involvement. Project teams develop and implement public involvement plans that are relative to the needs of the project and public. This flexibility allows adoption of the following guidance, which seeks to ensure public participation by a comprehensive range of stakeholders. As an agency, project team members will be familiar with the guidance, practices and documentation required as stated in this document and especially with the federal requirements for Title VI, Environmental Justice, Americans with Disabilities Act and Limited English Proficiency outreach and under the National Environmental Policy Act, if applicable. All project team members will be familiar with ADOT's Public Involvement Plan and use the tactics required for federal compliance for public participation. The designated ADOT Communications liaison to the ADOT Civil Rights Office will provide training for any or all team members when public involvement is required. Whether for a new highway or the scheduled closure of a Motor Vehicle Division Office, ADOT's public involvement philosophy and processes remain equitable.

Linkage to ADOT PIP

As stipulated by FMCSA in their guidance documents, ADOT's [Public Involvement Plan](#), as approved by the Federal Highway Administration, will remain the standard-bearer for how ADOT and MVD conduct outreach and gather public perspective on planned service modifications. The more stringent guidelines for NEPA project outreach will support the decision process for MVD with outreach to communities and key stakeholders.

Additionally, MVD commits to documenting all community input and completing an analysis to identify primary concerns, and providing that input to decision makers. Following implementation of the change, public sentiment/comment will be tracked for no less than six months for reaction or unforeseen consequences. If necessary, adjustments may be considered following the track-and-assess process.

Motor Vehicle Division-Specific Overview

As a dynamic customer service-oriented operation, the Arizona Department of Transportation Motor Vehicle Division is consistently monitoring and reviewing its performance, and operational needs and capacity in future years. Part of this process will occasionally require a review of the effectiveness and need for physical MVD offices in various localities. Population shifts, technological advances and the age of office infrastructure are some of the factors considered when office locations are modified, including full closure. When the decision has been made to make major service reductions or to eliminate service at a particular MVD office, MVD – in consultation with ADOT Communications – prepares a comprehensive plan of public outreach aligned with the agency [Public Involvement Plan](#), approved in 2017 by the Federal Highway Administration.

Stakeholder Assessment

Public involvement activities must be accessible to anyone who has an interest in the initiative, regardless of race, national origin, sex, age, income level or disability. Making sure that all interested members of the public are provided the opportunity to have input helps ADOT and MVD comply with

federal nondiscrimination regulations, including Title VI, Americans with Disabilities Act, Environmental Justice and Limited English Proficiency. In addition to legal requirements for public involvement, the more that is known about the area population, the more effective the outreach will be.

The following factors/demographics should be documented and addressed in any MVD outreach plan supporting a service-level change:

- Race
- Age
- Sex
- Income Levels
- Home Occupancy
- Disability
- Language spoken at home
- Vehicles available/use of transit
- Employment Status
- Number of licensed drivers at home

In preparing a stakeholders list, ADOT will identify affected customers (those who benefit and those burdened by the proposed action), and any advocacy groups, churches, community-based organizations/nonprofits, other advisory bodies, etc. Stakeholder lists will include demographic information for affected customers regarding race, color, national origin (including Limited English Proficient individuals), sex, age, disability, and income-level. Thus, stakeholder lists will be inclusive, ensuring that news of the proposed action is communicated to the greatest number of customers and done so in a way that provides accessibility for the unique makeup of the customer base. Because ADOT staff and consultants, when used for outreach, may not be experts in the expectations, sensitivities or interests of a particular community, the Department will always begin compiling an outreach plan and stakeholder assessment based on input from local and regional jurisdictions and others in formal or informal leadership positions in the community. As a large and diverse state, this is a critical process step and respects the norm established by the Department, and the expectation of local, regional and statewide leaders.

Process for Outreach

Typically, the initial and earliest effort will be to contact government representatives in the potentially affected area. This includes – but is not limited to – state legislators, county supervisors, mayors and city council members and local tribal community leaders, as well as professionals such as city/town managers, legislative staff, etc. This is intended to outline the reasons for the upcoming change and to obtain feedback from these stakeholders. ADOT Communications will assess, using tools outlined in the agency’s Public Involvement Plan, which community groups may have an interest in upcoming MVD action; efforts will be made to communicate with those groups in writing and, if necessary, in person. Following completion of the Four-Factor Analysis and review of U.S. Census records, accommodations will be made for those members of the community who do not speak English by printing materials in the appropriate languages and having translators available at any public meetings, either based on meeting the LEP threshold for translation or upon request by a member of the public.

Notification to the general public is made using various mass media available. This may include newspapers and local media websites, social media and notices posted at the office location, community centers, religious organizations and other locations where community members frequent. ADOT’s Non-Discrimination and Accommodation language, as required by Title VI of the Civil Rights Act, is included in all notices, and notices are translated as determined by the LEP four-factor analysis. Additional notification can be made through the use of mass emails from ADOT Communications to interested members of the public. ADOT Communications has the capability to deliver such emails on a broad geographic basis as well as to news media and MVD customers. Distribution of information will vary based on community expectations and the tools available in each community.

For proposed closures that may have statewide, as opposed to limited local or regional implications, MVD would initiate public meetings to explain the upcoming change and to obtain customer feedback. When appropriate based on community sensitivities or communication preferences, MVD has, on occasion, held meetings to discuss planned service changes for local and regional operations that did not have statewide impact. Consideration is given to ensuring the meeting location is accessible to all stakeholders (close to transit if possible, Americans with Disability Act compliance, etc.) and at an appropriate time of day based on community assessments. Public meetings are planned and implemented in compliance with the ADOT Public Involvement Plan.

Outreach Options

Scope and significance will be critical in determining the scale of required outreach for service alterations or facility closures. In accordance with provisions outlined through Federal Highway Administration guidelines for the implementation of the National Environmental Policy Act and from guidance from the Federal Motor Carrier Safety Administration, MVD will assess the service radius for each impacted facility to aid in identification of the target population. That data, connected to the severity of the service impact, will guide decisions on the need for formal public meetings, written/published advisories, less formal public notification, or no advance notice at all. As part of the service-area assessment and possible community impact, MVD will evaluate the role of Authorized Third Party offices to provide services as needed to the public or if other technological-based options (such as kiosks, or, when feasible, other Internet-based options in public facilities) will meet the identified community needs. Whether the change has local, regional or statewide impact will further inform decisions on how to engage customers to assess the full scale of impacts and provide data to decision makers. While nearly 40 services currently can be completed online, and with a combination of ADOT- and privately-operated motor vehicle services offices throughout the state, a range of service delivery options are available; yet, ADOT realizes that each population is unique in their needs, expectations, access to technology, and need for specific support to fully participate as an ADOT customer.

Public involvement for any proposed action under ADOT purview aims to involve the largest possible segment of the population. Yet traditional methods such as meetings and hearings might be attended by only a small group of people compared to the number who are interested or affected. However, ADOT Communications and Public Involvement also has the capability to provide virtual public meetings online and this strategy can be utilized as a discrete measure and in addition to in-person meetings. In addition to maximizing public engagement, ADOT attends public events or identifies public places to disseminate information pertinent to the proposed MVD action, either by distributing fliers or by setting up kiosks/booths to discuss details.

Following are examples of nontraditional places where grassroots outreach can be used:

- Distributing information about a proposed action or upcoming opportunities for public involvement at transportation hubs, transfer stations or heavily used transit stops.
- Setting up a booth at community fairs or events to increase exposure for a proposed action and distribute fliers or other information, in appropriate languages.
- Sharing posters or information at shopping centers, where the outreach team can reach a large number of people from diverse backgrounds, and at community centers or other common community gathering places (the latter can be highly effective when reaching Native American communities, e.g., coordinating with chapter houses and other locations where other community information is regularly shared).

- Hosting community meetings virtually or in-person.
- Meeting with trusted members of a community to seek their assistance with distributing information and/or collecting feedback.

Assessment of Input

While there is not a public vote on implementing or rejecting a proposed change to MVD services, input from members of the community – respecting the diversity of the community – shall inform the decision of Department or Division leaders. In accordance with the ADOT Public Involvement Plan, all comments shall be documented either individually or thematically and analyzed into an executive summary to aid decision makers. The summary and underlying analysis shall be sufficient to represent the input of the community and review any changes to the proposed action that are made based on this input. This critical step – documenting how the decision was influenced, if at all – is key in building and maintaining community support for the proposed change and for ADOT and MVD. Once a proposed action is implemented, efforts to gather public opinion will continue to assess any needed mitigation or countermeasures to smooth the transition; adjustments can be made following the Arizona Management System processes.

MVD Office Closures

The San Manuel MVD Office located at 190 Redington Road San Manuel, Arizona will be permanently closed effective June 30, 2022. This office was initially temporarily closed in March 2020 due to COVID-19 related issues. MVD has developed a Public Involvement Plan and is included as Attachment A.

B. Title VI Notice to the Public/ Posters and Brochures

The Arizona Department of Transportation (ADOT) provides posters, brochures, and survey cards or electronic equivalents at every public hearing and meeting. These program posters and brochures are available in languages other than English, as needed. Furthermore, current copies of ADOT's Nondiscrimination Notice to the Public are available and accessible at ADOT buildings statewide.

ADOT's Nondiscrimination Notice to the Public is also posted at Division locations and all authorized third party locations. These entities post this notice in a visible location for customers and employee's knowledge and reference. A copy of ADOT's Nondiscrimination Notice to the Public is included in this document as Attachment B.

7. COMPLIANCE AND MONITORING

At present, ADOT receives FMCSA funding through the Innovative Technology Deployment – High Priority (ITD-HP) Grant, the New Entrant Safety Audit Grant, and the Motor Carrier Safety Assistance Program (MCSAP), the latter grant is funded through the Arizona Department of Public Safety (DPS). As ADOT is a subrecipient to DPS, ADOT will provide DPS a copy of its Title VI Program Compliance Plan after submission and approval by FMCSA, annually.

Currently, ADOT does not sub-award FMCSA funds to another recipient. If ADOT were to sub-award FMCSA funds, the following subrecipient compliance and oversight processes would occur:

Subrecipient Compliance Review Process

All recipients of federal funds are required to comply with various nondiscrimination laws and regulations including Title VI of the Civil Rights Act of 1964 (Title VI). ADOT's Civil Rights Office (CRO) requires subrecipients to provide an annual report describing Title VI data collected from agency and subcontractors, outreach methods, Title VI implementation changes and upcoming Title VI program goals. Yearly reports are analyzed and categorized based on a high/low risk assessment. After the annual high/low risk assessment, the CRO will conduct compliance reviews of local public agencies, transit grantees, MPOs and COGs, universities, colleges, and other subrecipients of federal financial assistance to determine level of compliance with Title VI requirements.

ADOT's Title VI Nondiscrimination Program staff will conduct subrecipient compliance reviews annually to:

1. Ensure compliance with Title VI.
2. Provide technical assistance in the implementation of the Title VI program.
3. Respond to complaints received by the agency.
4. Correct deficiencies when found to exist.

Notification

1. Subrecipients will be notified within 30 days of the upcoming Title VI review by certified letter and/or prioritized email.
2. A week prior to the on-site review, a reminder will be sent by priority email to discuss agenda, logistics, expectations of the on-site visit, and to request policies, procedures and sample documents for a desk audit.

On-site Review

1. A Title VI staff member will review:
 - a. Subrecipient data collection methods;
 - b. Subrecipient methods for analyzing Title VI data;
 - c. Environmental justice efforts;
 - d. LEP efforts; and
 - e. Leadership changes.
2. Training efforts and number of complaints received.
3. During the on-site review, Title VI staff will conduct staff interviews and discuss reporting and data collection practices, public notification practices, examine public participation practices, examine efficiency of Title VI complaint procedures and make verbal and written recommendations towards best practices.

Deficiencies

If deficiencies are found:

1. Within 30 days of the on-site review, deficiencies will be documented in a report provided to the subrecipient's director and the ADOT Civil Rights Administrator.
2. By expectation, the subrecipient should correct all deficiencies within a reasonable time period, not to exceed 90 days of receipt of the report.
3. Within 30 days of report mailing, a meeting must be scheduled to discuss possible technical assistance and action plan towards full compliance.
4. Outstanding high priority vital items such as signed Title VI assurances will be submitted within 30 days of report mailing.
5. The subrecipient will be asked to submit a formal action plan within 45 days of report mailing.

6. Within 90 days, the subrecipient MUST be fully compliant on outstanding deficiencies.
7. If not compliant, ADOT will make a formal funding recommendation to the appropriate oversight division and/or federal authority.

No Deficiencies

If no deficiencies are found:

1. A formal letter of full compliance will be provided within 30 days of on-site review along with a report of findings. The report may still provide recommendations for strengthening the subrecipient's Title VI Program.

Follow-up Monitoring

Title CRO will determine if additional monitoring is needed to ensure ongoing compliance with Title VI requirements.

8. TITLE VI TRAINING

The CRO provides Title VI/Nondiscrimination Program Specific Training to MVD and ECD. Training is conducted by a trained Civil Rights Specialist specifically assigned to provide MVD and ECD training. A copy of the training log that is utilized to measure progress is included as Attachment C.

ADOT's Internal Training Program on Title VI consists of different levels of training of varied intensity and content, as shown below.

Director and Division – This training occurs annually and functions as part training and debriefing regarding highlights from the previous reporting year. The training portion is high-level and is tailored to identify and address major challenges.

Federal Program Area Manager/Supervisor Level – This training occurs annually or as needed if there are impacts that affect multiple federal program areas. Federal program managers and supervisors are also trained on ADOT's Title VI/Nondiscrimination requirements as part of the required annual training for all ADOT employees and upon their attendance at Quarterly Liaison meetings.

Federal Program Areas Title VI/ Nondiscrimination Liaisons level – This training is conducted quarterly and is intended to provide Liaisons with an opportunity to discuss issues, ask questions regarding reviews conducted or to be conducted, review specific scenarios and share experiences. It is also an opportunity to provide individualized training related to Title VI/Nondiscrimination requirements and ways to apply the requirements to the specific Federal Program Area.

Staff Training – This training is provided by CRO every two years in person to ECD staff and yearly to MVD staff virtually. The training defines discrimination, discusses examples of discrimination and incorporates strategies to recognize and avoid potential problems when working with the public. Special emphasis is placed on identifying practices that may be interpreted as discriminatory in nature due to an individual's protected class and identifies established processes designed to overcome barriers relative to a person's limited English proficiency. Training also covers ADOT's Title VI Complaint process and includes a question/answer session to be followed by a written test.

New Hires – Training for new ECD and MVD staff is conducted by the Civil Rights Specialist when needed and consists of an introduction to ADOT’s Civil Rights Non-Discrimination and ADA policies; ADOT’s commitment to its antidiscrimination programs; how the program affects the new hire; best practices and concludes with a question/answer series about what comprises discrimination and best practices to prevent discrimination in the workplace. This training is also available to all ECD officers utilizing Powerschool DMS.

Additionally, all ADOT employees, contractors, and consultants who provide services on behalf of ADOT must take a Computer Based Training course that introduces all of ADOT’s Title VI requirements. The course titled, ADOT’s Title VI Nondiscrimination Program is required to be taken annually, and a monthly report to track employees who have completed the training is provided to CRO. At the conclusion of the training all employees take a comprehension exam and sign ADOT’s Employee Nondiscrimination Agreement.

The CRO in coordination with the ECD also conducts training on the Commercial Motor Vehicle Inspections Policy, Operational Order Number 8.1.52 via ECD’s Powerschool DMS training platform. The Policy contains Title VI compliance elements to ensure an unbiased enforcement policy. This training is conducted in the onboarding process for new employees and during CRO’s annual ECD Title VI/Nondiscrimination training program.

As there are no current ADOT subrecipients of FMCSA funding the CRO does not conduct any Nondiscrimination training to any external agencies.

9. COMMERCIAL MOTOR VEHICLE INSPECTIONS POLICY

ADOT’s ECD, in conjunction with the ADOT CRO in 2020 created the Commercial Motor Vehicle Inspections Policy, Operational Order Number 8.1.52 to ensure inspections are done in an equitable, fair, and consistent manner that complies with Title VI requirements. The following section contains said policy.

Purpose

Enforcement and Compliance Division (ECD) personnel are committed to enhancing public safety through the consistent and objective enforcement of laws, rules, and regulations relating to commercial motor vehicles (CMV). The purpose of this policy is to establish uniform guidelines for the selection of CMVs for inspection.

Policy

It is the policy of the Division to concentrate inspection efforts on those CMVs that have a negative impact on traffic safety. Inspections will be conducted only by Commercial Vehicle Safety Alliance (CVSA) certified employees utilizing the North American Standard inspection process set forth by the CVSA.

Definitions

A. Commercial Motor Vehicle: As defined in ARS § 28-5201 a commercial motor means a motor vehicle or combination of motor vehicles that is designed, used or maintained to transport passengers or property in the furtherance of a commercial enterprise on a highway in this state, that is not exempt from the gross weight fees as prescribed in section 28-5432, subsection B and that includes any of the following:

1. A single vehicle or combination of vehicles that has a gross vehicle weight rating of twenty six thousand and one or more pounds and that is used for the purposes of intrastate commerce.
2. A single vehicle or combination of vehicles that has a gross vehicle weight rating of ten thousand one or more pounds and that is used for the purposes of interstate commerce.
3. A bus, or school bus or a vehicle that transports passengers for hire and that has a design capacity for eight or more persons including a bus or school bus.
4. A vehicle that is used in the transportation of materials found to be hazardous that are required to be placarded under federal regulations.

B. Manufacturer: A person who transports or causes to be transported or shipped by a motor vehicle a material that is represented, marked, certified or sold by a person for transportation in commerce.

C. Motor carrier: A person who operates or causes to be operated a commercial motor vehicle on a public highway.

D. Shipper: A person who offers a material for motor vehicle transportation in commerce.

Procedures

A. General

1. ECD complies with Arizona statutes that grant authority to conduct inspections, as well as all applicable ADOA, ADOT, and ECD rules of conduct, enforcement activity restrictions, and published policies and procedures regulating commercial vehicle enforcement.

2. Title 28, Chapter 14 of the Arizona Revised Statutes (ARS) sets forth Motor Carrier Safety regulations. A.R.S. § 28-5204 allows for the Arizona Department of Public Safety (DPS) or any political subdivision to enforce any rules adopted pursuant to this chapter. This same statute requires that anyone acting for a political subdivision in enforcing this chapter must be certified by DPS as qualified for the enforcement activities. CVSA certification requirements for ECD personnel are detailed in ECD Operational Orders 8.1.50, CVSA Level 1 Certification and 8.1.51, CVSA Additional Certifications.

3. A.R.S. § 28-5231 provides the authority for ECD personnel to inspect CMV documents and equipment. It notes that employees of the Arizona DOT or the Arizona Department of Public Safety (DPS) may inspect the books, records or other data of a manufacturer, shipper, or motor carrier during business hours or at any time if the cause is to protect the public safety. It also notes that a DPS officer or any police officer, including an ECD officer, may during usual business hours, or at any time if there is a public safety issue, examine records, books or other data required to be maintained and equipment and

facilities pertinent to the operation in order to verify the truth and accuracy of a statement, report or return and to determine compliance with safety rules imposed under Title 28, Chapter 14.

4. Although such administrative actions, including commercial vehicle inspections, do not require probable cause or reasonable suspicion, it is ECD's practice to identify vehicles for inspection based on factors articulated in this policy.

5. ARS § 28-369 provides the authority for ECD officers to require CMVs to stop at a Port of Entry (POE) for the purpose of enforcing a motor vehicle law and makes it a misdemeanor to fail to stop (port runners).

B. Criteria for Selection of CMV's for Inspections at Ports of Entry and During Mobile Operations

1. Priority for inspections will be given to those situations where there is an observed violation of law or regulations. This could be a violation related to the driver or the vehicle including equipment or size violations, or weight and load violation.

2. When available, POEs will consistently use standardized electronic vehicle screening systems that utilize ISS carrier safety rating information. Those carriers that are either poorly rated or have insufficient data will take priority in the inspection selection.

3. On those occasions when CMV traffic patterns are minimal, CMVs with no valid CVSA decal may be selected for inspection.

4. Vehicles displaying a valid CVSA decal will generally not be subject to re-inspection unless an equipment violation is observed or a driver violation is suspected.

5. ECD personnel shall not interrupt or otherwise disturb any driver of a CMV in an off duty or sleeper berth status when the CMV is legally parked for the sole purpose of conducting a random inspection.

C. Documentation

1. All inspections will be documented through the ASPEN inspection program.

- a. Inspections shall be uploaded as soon as possible, but no later than the end of the inspecting employee's shift.
- b. Inspections containing out-of-service violations shall be uploaded immediately.
- c. In unusual scenarios where the ASPEN program is not available, CVSA inspections are to be documented on a hand written Driver-Vehicle Examination Report (DPS form 802-09013).

2. A Spillman Incident Report number shall be obtained and a report prepared, which will include the demographic information of the driver and document any citations issued.

D. The Division is committed to the unbiased and equitable treatment of all persons in enforcing the law and providing services. Employees conducting motor vehicle enforcement, including CMV inspections, will adhere to ECD Operational Order 4.1.100, which prohibits biased based policing of any type and notes the following:

1. It is the policy of the Arizona Department of Transportation (ADOT) to uphold and ensure full compliance with the non-discrimination requirements of Title VI of the Civil Rights Act of 1964 (Title VI) and related non-discrimination authorities as identified in the FMCSA Title VI Program Assurance signed by the Arizona Department of Transportation Director.

a. These authorities require that no person shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any ADOT program or activity on the basis of race, color, national origin, sex, age, disability, income level, or limited English proficiency.

b. ADOT has adopted a Public Notice of Compliance with Title VI Program Rights that informs the public of the department's Title VI program assurances and responsibilities. This public notice is posted for public access at this link: <https://azdot.gov/sites/default/files/2019/05/nondiscrimination-notice-to-the-public-poster-fmcsa.pdf>

2. ADOT must ensure that all of its programs and activities are operated in a nondiscriminatory manner. In order to monitor ADOT's Title VI compliance the ADOT Civil Rights Office (CRO) reviews and analyzes Quarterly Reports, Spillman Demographic Data, and Title VI Meeting summaries for disparities based on race, color, national origin, sex, age, disability, income level, or limited English proficiency. Each program area also submits data through Quarterly Reports and Title VI Meeting summaries on outreach methods, compliance effort with ADOT's Public Involvement Plan, ADOT's FMCSA Title VI Plan, Title VI dissemination, DOT LEP Four Factor Analysis results on a project by project basis and data sources, policy updates, Title VI training attended and complaints reported to CRO. Using a high/low risk assessment CRO staff will conduct comprehensive compliance reviews annually to:

- a. Ensure compliance with Title VI.
- b. Provide technical assistance in the program areas implementation of Title VI.
- c. Correct deficiencies, when found to exist.

3. As part of ADOT's Title VI internal monitoring programs, CMV enforcement, including commercial vehicle inspections, will be reviewed annually to ensure compliance with Title VI, provide any needed technical assistance in the implementation of Title VI, and correct any deficiencies found to exist.

10. ACCESS TO RECORDS/PROGRAM REVIEWS

ADOT is responsible for ensuring that records documenting implementation of the Title VI Plan requirements are available for review by FMCSA. To assess the effectiveness of the program, the following information should be included:

- Program/Activity description
- Service area demographics
- Program/Activity demographics
- Demographic data collection and analysis methods

- Title VI dissemination to the public
- Method to measure Title VI impacts to the public
- Number of requests for LEP services and services provided
- Complaint Log

FMCSA requires recipients of federal financial aid to comply with the provision of Title VI and, specifically, with CFR 49 §21 and §303. To ensure compliance, ECD and MVD Division Programs will prepare quarterly reports to submit to ADOT's CRO. These reports will be submitted to the Title VI Nondiscrimination Program Manager who is responsible for the implementation and oversight of ADOT's Nondiscrimination Program. The Quarterly report will contain demographics collected for each program area activity, an overview of measures taken to help ensure compliance or complaints filed during the quarter. Demographic data provided will be analyzed by CRO quarterly, to evaluate the Division's compliance with the provisions of Title VI, used to conduct program reviews and if necessary develop a corrective action plan. Compliance reports will be maintained by the CRO and available to FMCSA upon request. The quarterly reports will be submitted every March, June, September, and December. A Quarterly Report sample is included as Attachment D.

Program Area Compliance Reviews

All FMCSA-funded programs will be subjected to comprehensive Title VI reviews by ADOT CRO on an annual basis to:

1. Ensure compliance with Title VI.
2. Provide technical assistance in the implementation of the Title VI requirements.
3. Respond to complaints received by the agency.
4. Correct deficiencies when found to exist.

Notification

1. Program Areas will be notified within 30 days of the upcoming Title VI review by certified letter and/or prioritized email.
2. A week prior to the on-site review, a reminder will be sent by priority email to discuss agenda, logistics, expectations of the on-site visit, and to request policies, procedures and sample documents for a desk audit.

On-site Review

1. A Title VI staff member will:
 - a. review internal policies, procedures and demographic data reported through Quarterly Reports and other methods;
 - b. review environmental justice efforts;
 - c. LEP efforts; and
 - d. leadership changes.
2. Training efforts and number of complaints received.
3. During the on-site review, the Title VI staff member will conduct staff interviews and discuss reporting and demographic data collection practices, public notification practices, examine public participation practices, examine efficiency of Title VI complaint procedures and make verbal and written recommendations towards best practices.

Deficiencies

If deficiencies are found:

1. Within 30 days of the on-site review, deficiencies will be documented in a report provided to the program area's director, Title VI Liaison, and the ADOT Civil Rights Administrator.
2. By expectation, the program area should correct all deficiencies within a reasonable time period, not to exceed 90 days of receipt of the report.
3. Within 30 days of report mailing, a meeting must be scheduled to discuss possible technical assistance and action plan towards full compliance.
4. Outstanding high priority vital items will be submitted within 30 days of report mailing.
5. CRO and the program area will work together to create a Compliance Action Plan within 45 days of report mailing, which will include, at a minimum, resources, training, and best practices to achieve compliance.
6. Within 90 days, the program area MUST be fully compliant on outstanding deficiencies.
7. If not compliant, ADOT CRO will make a formal recommendation and findings will be issued to the ADOT Director.

No Deficiencies

If no deficiencies are found:

1. A formal letter of full compliance will be provided within 30 days of the on-site review along with a report of findings. The report may still provide recommendations for strengthening the program area's Title VI compliance.

DATA COLLECTION AND ANALYSIS

ADOT is required by federal regulation to collect statistical data on the race, color, national origin, age, sex, disability, low income status, and limited English proficiency (LEP) of participants in and beneficiaries of its programs. CRO staff works with both MVD and ECD to collect and analyze data through their Quarterly report submissions. This data is used to document compliance with Title VI.

Motor Vehicle Division (MVD) ADOT MVD delivers services to millions of Arizona motorists each year by providing motor vehicle services throughout the state. These services are provided in compliance with all applicable state and federal laws and regulations.

- **Commercial Licensing Program** issues operating licenses for motor carriers, commercial vehicle drivers, and vehicles for hire. They are also responsible for MVD's medical review program which affects both commercial drivers and the public.
- **Customer Service Program** provides customer service to customers throughout the state in regards to MVD related matters.
- **Division Operational Support Services (DOSS)** is responsible for policy development for MVD, providing record services, driver services, and overseeing the mandatory insurance program.

Additionally, DOSS provides specialty services for aircraft registration and aircraft dealer licensing, dealer licensing, special plates, and professional driving schools.

- **The Authorized Third Party (ATP) Division** is composed of private companies authorized by ADOT to provide driver license services, including written and road tests under Arizona Revised

Statute 28-5101. A convenience fee may be collected by third parties in addition to the appropriate state fees. CRO conducts annual Title VI desk reviews of all ATPs.

Enforcement and Compliance Division (ECD) The mission of the Enforcement and Compliance Division is to ensure the safe and efficient movement of people, goods and services throughout Arizona while promoting compliance with all applicable state and federal laws and regulations.

- **The Enforcement Services Bureau (ES)** utilizes officers in the enforcement of transportation related laws and regulations. Through the fixed port of entry system and mobile enforcement, commercial vehicles are checked for compliance with size, weight, and safety laws, including laws relating to the transportation of hazardous materials. In addition, Enforcement Services inspects vehicles for authorized ownership, monitors and recovers stolen vehicles and vehicle components, and completes administrative and criminal investigations.
- **Ports of Entry (POE)** monitor all commercial traffic entering Arizona for registration, taxes, size and weight restrictions, commercial driver license requirements, insurance requirements and equipment safety requirements and issue permits, as required.
- **New Entrant (NE) Program** is designed to assure that new motor carriers understand the complex federal and state safety regulations that are required and provides a mechanism with which to remove unsafe commercial transportation operations. ECD conducts all New Entrant inspections and Safety Audits on Arizona-based interstate motor carriers.

All ECD programs having direct contact with the public collect demographic data to include racial/ethnic makeup, age, sex, disability, low income status, and limited English Proficiency (LEP). This data is reported to CRO through the Spillman Dashboard and Quarterly Reports for trend analysis and to identify any possibly impacted protected groups participating in or benefiting from any of its programs or activities.

MVD commits to documenting all community input and completing an analysis to identify primary concerns, and providing that input to decision makers. Specifically, when the decision has been made to make major service reductions or to eliminate service at a particular MVD office, MVD will conduct a comprehensive plan of public outreach that considers demographics of race, national origin (limited English proficiency), sex, age, income level or disability and other factors into the decision-making process.

All demographic data provided to the CRO by MVD and ECD is analyzed for disparate impacts against protected groups based on race, national origin (limited English proficiency), sex, age, income level or disability. The CRO will provide feedback, recommendations, and technical guidance to MVD and ECD regarding any potential disparate impacts.

11. COMPLAINT PROCEDURES

- A. Any person, specific class of persons or entity that believes they have been subjected to discrimination as prohibited by the legal provisions of Title VI on the basis of race, color, national origin, age, sex, disability, income status or limited English Proficiency (LEP) may file a formal complaint with ADOT's CRO. A copy of the Complaint Form may be accessed electronically at:

<https://azdot.gov/sites/default/files/2019/10/FMCSA-ADA-Title-VI-Complaint-Form.pdf>

- B. The complaint must be filed within 180 days of the alleged discrimination, the date the alleged discrimination became known to the complainant or the last date of the incident.
- C. The complaint must be written and signed by the complainant and shall include:
 - 1. The complainant(s) name, address and phone number.
 - 2. A detailed description of the alleged incident that led the complainant to believe discrimination occurred.
 - 3. The date of the alleged act of discrimination, the date when the complainant(s) became aware of the alleged discrimination, the last date of the conduct or the date the conduct was discontinued.
 - 4. The names and job titles of those parties involved in the complaint.
 - 5. The facts and circumstances surrounding the alleged discrimination and the basis of the complaint (race, color, national origin, sex, age, disability, income status or LEP).
 - 6. Names and contact information of persons whom the investigator can contact for additional information to support or clarify the allegations.
 - 7. The corrective action being sought by the complainant.
- D. Complaints may be filed by one of the following methods:
 - 1. By completing and signing the Complaint Form and delivering it in person or by mail.
 - 2. By emailing or faxing the Complaint Form and sending the signed original to the CRO.
 - 3. By calling the CRO where information obtained will be used to complete the Complaint Form and, subsequently, forwarded to the complainant for review, signature and return.
 - 4. By electronically submitting and digitally signing the Complaint Form.
- E. Upon receipt of a completed complaint, the CRO will determine jurisdiction, acceptability or need for additional information and, within five days, acknowledge receipt of the complaint and the intended course of action.
 - 1. Complaints against ADOT or its subrecipients in FHWA funded programs will be referred to FHWA for processing.
 - 2. Complaints against ADOT under all other USDOT federally-funded programs fall under ADOT's authority and jurisdiction.
- F. For acceptance, a complaint must be:
 - 1. Timely filed.
 - 2. Involve a covered basis (race, color, national origin, sex, age, disability, income status or LEP).
 - 3. Within ADOT's authority.
- G. Complaints may be dismissed if the complainant:
 - 1. Requests the withdrawal of the complaint.
 - 2. Fails to respond to repeated requests for additional information.
 - 3. Fails to cooperate in the investigation.
 - 4. Cannot be located after reasonable attempts to reach the complainant have been made.

H. ADOT CRO will maintain a confidential log of accepted and/or forwarded Title VI Complaints which will include:

1. Name of complainant(s).
2. Date the complaint was received.
3. Date of the allegation.
4. Description of the alleged discrimination.
5. Other relevant information, as needed.
6. Report date.
7. Recommendations.
8. Outcome/Disposition.

A copy of the Complaint Log is included in this plan as Attachment E.

I. Upon accepting a complaint, the CRO investigator will:

1. Provide the respondent an opportunity to respond to the allegations. The respondent will have 10 calendar days from the CRO's written notification to furnish a written response.
2. Determine if more information is needed to resolve a case and may contact the complainant who will then have 10 calendar days to provide additional information.

J. Within 45 days of accepting a complaint, an ADOT Investigator will:

1. Gather all relevant information in a fair and impartial manner.
2. Conduct interviews of all concerned parties.
3. Prepare a final investigative report with a recommended disposition.

K. Upon final determination, one of two letters will be issued to the complainant:

1. A closure letter summarizing the allegations stating that there was no Title VI violation and that the case will be closed.
2. A Letter of Finding summarizing the allegations and the interviews regarding the alleged incident and explaining whether any additional action, additional training of the staff or other action will occur.

L. All allegations of discrimination will be taken seriously and every effort will be made to provide a fair and unbiased determination. In instances where there is dissatisfaction with ADOT's determination, the complainant may file a complaint directly with the appropriate USDOT modality:

12. LIMITED ENGLISH PROFICIENCY

The Arizona Department of Transportation (ADOT) in the course of routine business matters related to its programs and activities will make efforts to effectively communicate with all members of the public. Limited English Proficiency (LEP) is a term used to describe individuals who do not speak English as their primary language and who have a limited ability to read, speak, write, or understand English. ADOT’s LEP Plan is designed to comply with Title VI of the Civil Rights Act of 1964 and Executive Order 13166 which prohibits recipients of Federal financial assistance from discrimination based on national origin.

Authorities

The following matrix illustrates the authorities that require ADOT to provide LEP persons with meaningful access to programs, activities, and services.

Title VI of the Civil Rights Act of 1964	Limited English Proficiency Executive Order 13166
Federal law	Federal policy
Enacted July 2, 1964	Signed August 11, 2000

Roles and Responsibilities

Recipients of federal financial assistance are required to take reasonable steps to provide LEP individuals with meaningful access to their programs, activities, and services (EO 13166). The following chart, although not exhaustive, illustrates activities and responsibilities that are required to adhere to LEP directives. The chart also outlines the responsibilities of the Civil Rights Office (CRO) and the various ADOT Program Areas.

Each program area will be responsible for conducting a Four Factor Analysis and ensuring compliance with LEP requirements on a project-by-project basis. Quarterly, ADOT Program Area Title VI Liaisons will provide CRO documentation of Four Factor Analysis conducted on a project-by-project basis. The CRO will conduct a secondary examination to ensure accuracy and consistency of the application of the Four Factor analysis, and provide feedback if required. On a quarterly basis CRO will also analyze Four Factor

results to identify potential disparate impacts to be addressed with the program area. Lastly the CRO reviews all Title VI Meeting Summaries required to be submitted within two weeks by program areas who have convened a public meeting to ensure compliance with ADOT's LEP Plan.

Activity	Responsibility ADOT Division / Program	Title VI Program
1. Assessing and addressing the needs of eligible persons (Conduct a Four Factor Analysis). Recommended table to be used: B16001 "language spoken at home by ability to speak English for population 5 years and over" from the 5 year American Community Survey.	X	
2. Taking reasonable steps or ensuring that responsible steps are taken to ensure meaningful access	X	
3. Developing and implementing monitoring control mechanisms to ensure delivery of service and ongoing compliance	X	X
4. Compliance, monitoring, and oversight	X	X
5. Providing technical assistance and guidance		X
6. Reporting accomplishments and goals	X	X

Program Areas will use the below LEP Four Factor Analysis

Factor 1: Identify the number and proportion of LEP persons served or encountered and eligible for service population by the ADOT Program/Project

Factor 2: Identify the frequency in which LEP persons encounter the ADOT Program/Project

Factor 3: Identify the nature and importance of program, activity, or services provided by the ADOT Program/Project

Factor 4: Identify available resources, including language assistance services varying from limited to wide ranging with varying costs by the ADOT Program/Project

AGENCY LEP FOUR FACTOR ANALYSIS

(NOT INTENDED TO RELINQUISH EACH PROGRAM AREA'S RESPONSIBILITY TO CONDUCT THIS ANALYSIS ON A PROJECT BY PROJECT BASIS)

In developing this plan; ADOT undertook a U.S. Department of Transportation Four-Factor LEP analysis which considers the following:

- 1) The number or proportion of LEP persons eligible in Arizona who may be served or likely to encounter ADOT programs, activities, or services.

Based on data collected from the U.S. Census for Arizona, Spanish and Navajo are identified as the top LEP languages of persons likely to be served by an ADOT program, service or activity. Additional LEP languages may be identified through Four-Factor Analyses conducted on a project -by-project basis.

- 2) The frequency with which LEP persons come in contact with ADOT programs and services.

ADOT program areas identified to have the highest public interactions are listed below:

- Motor Vehicle Division
 - Customer Service Program
 - Specialty Registration and Licensing Program
 - Division Operational Support Services
 - Commercial Licensing Program
 - Regulatory (Third Party Program)
- Communications
 - Community Relations
 - Public Information
- Enforcement and Compliance Division
 - Office of Inspector General
 - Enforcement Services Program
- Executive Hearing Office
- Business Operations
 - Civil Rights Office
 - Human Resources
 - Employee and Business Development Office
 - Audit and Analysis
 - Administrative Services Division
 - Procurement
 - Grand Canyon National Park Airport
- Infrastructure Delivery and Operations Division (IDO)
 - Engineering Consultant Section
 - Construction Group and Materials
 - Contracts and Specifications
 - Local Public Agency
 - Joint Project Agreement Section
 - Environmental Planning Group
 - Right of Way
 - Project Management Group
 - Public Private Partnership (P3) Initiatives
 - Multimodal Planning Division
 - Aeronautics
 - Transit
 - Major Projects
 - Grant Coordination
 - Research
 - Transportation Analysis
 - Planning and Programming
 - Tribal Planning and Coordination
 - Safety

- Administrative Functions
 - Transportation Systems Management and Operations (TSMO)
 - Systems Maintenance
 - Emergency Management
 - Traffic Maintenance
 - Geospatial Analysis
- 3) The nature and importance of the program, activities or services provided by ADOT to LEP persons.

All of ADOT's programs are important; however, ADOT has identified those related to safety, public transit, ROW, environmental planning, community relations and public information are among the most important and likely to have the highest LEP interactions.

As such, publications and other material disseminated regarding these programs are routinely available in both English and Spanish. ADOT will strive to continue to provide alternative and meaningful language formats to all LEP persons. Moreover, ADOT will evaluate its programs, services and activities to ensure that persons who may be LEP are always provided with meaningful access.

- 4) The resources available to ADOT and overall cost to provide LEP assistance.

ADOT makes every effort to make its programs, services and activities accessible to LEP individuals. ADOT displays Title VI Nondiscrimination Notices in both English and Spanish in conspicuous locations within its facilities, public rest areas, and at public meetings both in-person or virtual. Additionally, Title VI/ADA Complaint Procedures, and Title VI Informational brochures are distributed by program areas that come into contact with the public in both English and Spanish. Nondiscrimination language in both English and Spanish is also displayed on external notices/communications to the public to request language assistance. ADOT will continue to use available resources, both internal and external, to accommodate reasonable requests for translation and interpretation services free of cost, regardless of the language, when requested within reasonable notice.

ADOT has identified the following resources for LEP:

- 1) List containing direct contact information for ADOT staff who have volunteered to assist as interpreters and/or translators if needed. Lists will be verified and updated annually for each program area by the Title VI Liaison and will be published on the ADOTNet under the "FHWA Title VI Liaison Resources" tab as an internal employee resource.
- 2) Program areas that have contact with the public will use the U.S. Census "I Speak" language cards to identify language needs in order to match them with available services. Language cards will be verified and distributed annually by the program area Title VI Liaison.
- 3) Use of web based translation and telephonic interpretation services under contract with ADOT, when required.

- 4) Each program area maintains a list of translation and interpretation services for use, when required.
- 5) All ADOT program areas procure interpretation and or translation services through the Arizona Procurement Portal (APP) which lists ADOT “on-contract” interpretation and or translation vendors.

ADOT makes the below Title VI information available in Spanish:

- 1) Title VI and Nondiscrimination Notice to the Public
- 2) Complaint Procedures
- 3) Complaint Form
- 4) Title VI Informational Brochures
- 5) Self-identification Cards to voluntarily collect demographic data
- 6) Outgoing voice message for CRO’s main phone line

DOT Safe Harbor Stipulation

The Safe Harbor Threshold is calculated by dividing the population estimate for a language group that “Speaks English less than very well” by the total population of the county. The LEP Safe Harbor Threshold provision stipulates that for each LEP group that meets the LEP language threshold (5% or 1,000 individuals, whichever is less, of the population to be served) ADOT must provide translation of vital documents (e.g., Notice of Nondiscrimination, Complaint Procedure and Complaint Form) in written format for LEP persons.

The failure to provide written translations under the circumstances does not mean there is noncompliance, but rather provides a guide for recipients that would like greater certainty of compliance that can be provided by a fact-intensive, four factor analysis. For example, If a language does not mean the Safe Harbor Threshold, and a document is not considered "vital", then a written translation would not be necessary. Other ways of providing meaningful access, such as effective oral interpretation of certain vital documents, might be acceptable under such circumstances.

Strong evidence of compliance with the recipient’s written-translation obligations under ‘safe harbor’ includes providing written translations of vital documents for each eligible LEP language group that constitutes 5% or 1,000, whichever is less, of the population of persons eligible to be served or likely to be affected or encountered.

This safe harbor provision applies to the translation of written documents only. It does not affect the requirement to provide meaningful access to LEP individuals through competent oral interpreters where oral language services are needed and are reasonable.

CONCLUSION:

ADOT understands that language needs will change as the Arizona population changes. Further, ADOT will comply with the requirement to assess its programs and services each year to determine compliance with various nondiscrimination regulations. As such, ADOT will revisit the LEP plan each year and make appropriate changes, as needed. For questions or concerns regarding the ADOT’s commitment to nondiscrimination or to request additional information

about LEP services, contact Krystal Smith, ADA/Title VI Nondiscrimination Program Coordinator at civilrightsoffice@azdot.gov, 602-712-8946.

13. STATUS OF CORRECTIVE ACTIONS

Applicants applying for federal funding from FMCSA that have undergone a Civil Rights Title VI Review by FMCSA-CRO or any other Federal Agency must provide a copy of the Compliance Review Report. No federal agency reviews have taken place in the reporting period.

Attachment A

San Manuel MVD Office

FMCSA Title VI Public Involvement Plan

The Arizona Department of Transportation Motor Vehicle Division (ADOT MVD) will permanently close the facility located at 190 Reddington Road, San Manuel, Arizona, effective June 30, 2022.

Background:

As a dynamic customer service-oriented operation, the ADOT MVD is consistently monitoring and reviewing its performance, and operational needs and capacity in future years. Part of this process will occasionally require a review of the effectiveness and need for physical MVD offices in various localities. Population shifts, technological advances and the age of office infrastructure are some of the factors considered when office locations are modified, including full closure.

Pinal County owns the facility in San Manuel that is currently leased by ADOT MVD. The lease agreement for the facility at 190 Reddington Road, San Manuel, AZ expires on June 30, 2022. ADOT has engaged in discussions with Pinal County and both parties have mutually agreed that the lease will not be extended. The Arizona Department of Transportation will vacate the premises on or before June 30, 2022.

Pinal County advised ADOT MVD in March 2022, that they intend to utilize the facility to provide additional space for the Pinal County Sheriff's Office. This ADOT MVD location has been temporarily closed since 2020 due to staffing issues associated with the COVID-19 public health emergency.

Regulatory Background

Title VI of the Civil Rights Act of 1964 is a federal law that protects individuals and groups from discrimination on the basis of their race, color, and national origin in programs and activities that receive federal financial assistance.

Executive Order (EO) 12898 on Environmental Justice requires "the fair treatment and meaningful involvement of all people, particularly minority and low-income populations, in the environmental decision-making process." The United States Department of Transportation (USDOT) Order 5610.2(a) requires compliance with Executive Order 12898. This includes the full and fair participation by all potentially affected communities in the transportation decision-making process.

Executive Order 13166 for Limited English Proficiency is a requirement of recipients of Federal financial assistance to provide language services (oral or written) to ensure meaningful access for any language, upon request. Identification of LEP persons is informative for the purpose of devising appropriate strategies for meaningful public involvement and ensuring access pursuant to this Executive Order.

The Americans with Disabilities Act of 1990 (ADA) stipulates that people with disabilities be involved in developing and improving public services. In highway planning, collaboration with persons with disabilities is essential for developing access points beyond those that are required. All events held for programs or projects with federal-aid funds and open to the public must be made accessible to everyone, including persons with disabilities. Special efforts are required to comply with the statutory requirements of MAP-21 and the ADA.

Public Impact:

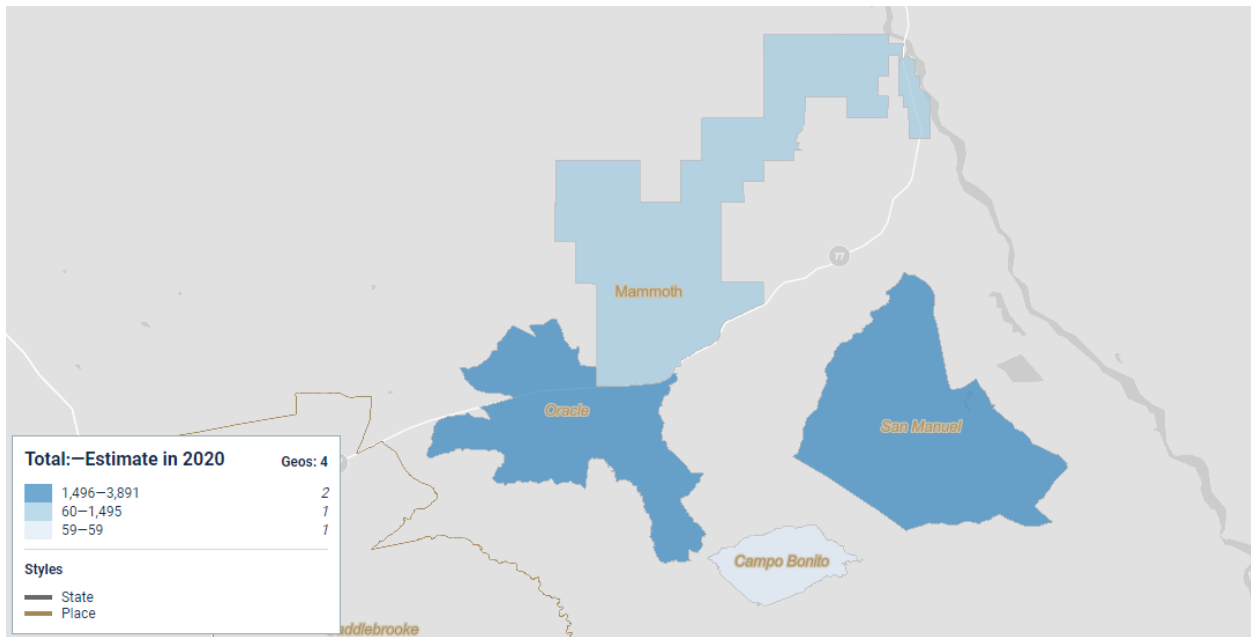

ADOT MVD has assessed the potential impact of this closure on the local community.

The ADOT MVD location in San Manuel has been temporarily closed since 2020 due to staffing issues associated with the COVID-19 public health emergency.

From July 1, 2019 through April 20, 2020 (approximately ten months prior to the temporary closure) the San Manuel office did approximately 400 transactions per month for customers residing in the San Manuel area. For comparison, the nearby Tucson North office (a large office in that region) did 7,823 transactions during that time frame and the Coolidge office (a small office in the region) did 2,534 transactions.

Public Service Options

ADOT MVD has assessed the service radius for each impacted facility. San Manuel is a small town approximately 50 miles northeast of Tucson and nearly 70 miles south of Globe. The nearest MVD location is in North Tucson, approximately 26 miles away. Nearby towns that the San Manuel MVD would serve, in addition to San Manuel itself, include Oracle, Mammoth, and the mining camp of Campo Bonito.

Repurposing the San Manuel MVD office for use by the Pinal County Sheriff’s Office may impact residents of San Manuel, Mammoth and Oracle. Residents in these communities are able to conduct ADOT MVD business at several other physical locations in Tucson, Globe and Coolidge, including at Authorized Third Party providers available in the Tucson-area. Additionally, most MVD services are available online at azmvdnow.gov. Over 3 million Arizona residents currently address a majority of their license and registration needs on this site.

Community Assessment

Minority Populations:

DOT defines five (5) minority groups as follows:

- Black (a person having origins in any of the black racial groups of Africa)
- Hispanic or Latino (a person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race)
- Asian American (a person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian subcontinent)
- American Indian and Alaskan Native (a person having origins in any of the original people of North America, South America, including Central America, and who maintains cultural identification through tribal affiliation or community recognition)
- Native Hawaiian or Other Pacific Islander (people having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands).

DOT defines a minority population as any readily identifiable group of minority persons.

Identification of minority populations using the No Threshold analysis outlined in the EPA report [“Promising Practices...”](#)

Low-Income Population: a population whose median household income is at or below the Department of Health and Human Service poverty guidelines for a family of four.

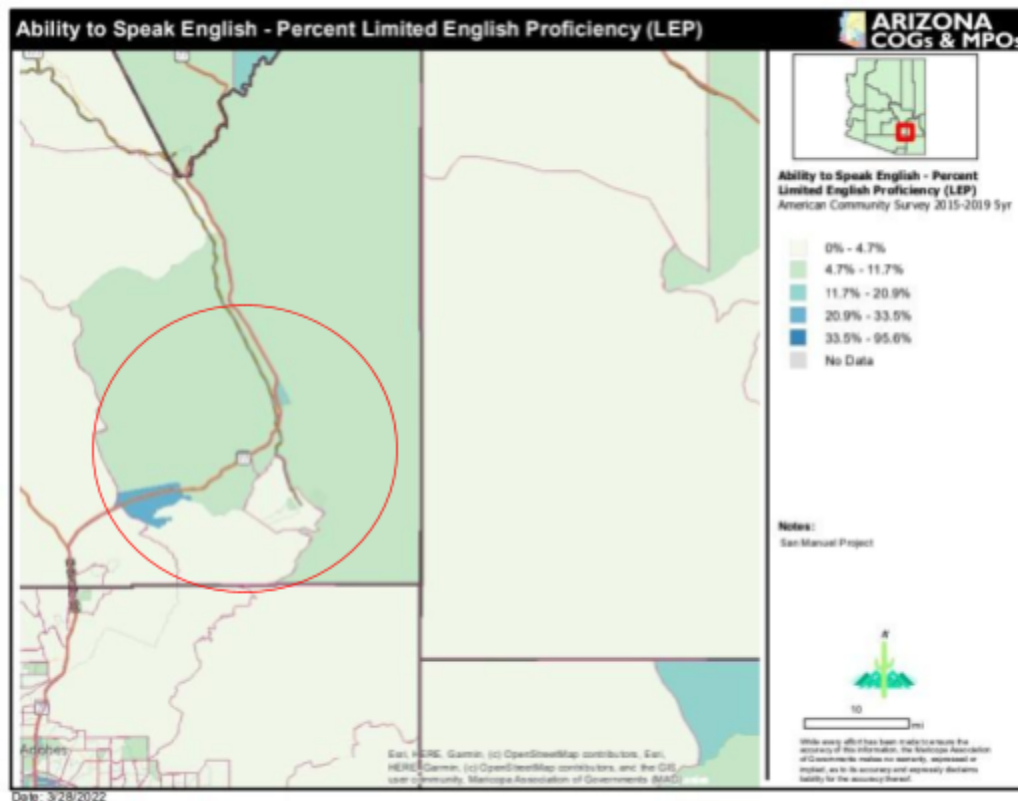

Identification of low-income populations

Median household income reported on the 2019 ACS does not identify low-income populations in the area. However, the majority of the population in the towns of San Manuel, Oracle, and Mammoth are Hispanic or Latino, which is a minority population per DOT regulations. Smaller groups of other minority populations are also present, as shown in the table below.

Label (Grouping)	Campo Bonito	Mammoth	Oracle	San Manuel
Total:	103	1,653	3,656	3,692
Not Hispanic or Latino:	103	361	2,397	1,580
White alone	103	326	2,131	1,475

Black or African American alone	0	0	0	0
American Indian and Alaska Native alone	0	4	48	0
Asian alone	0	0	0	0
Native Hawaiian and Other Pacific Islander alone	0	0	0	0
Some other race alone	0	6	76	0
Two or more races:	0	25	142	105
Hispanic or Latino:	0	1,292	1,259	2,112
White alone	0	1,130	1,143	1,913
Black or African American alone	0	0	0	0
American Indian and Alaska Native alone	0	22	14	0
Asian alone	0	0	0	0
Native Hawaiian and Other Pacific Islander alone	0	0	0	0
Some other race alone	0	116	77	167
Two or more races:	0	24	25	32

There are also a couple of pockets with high percentages of LEP persons, which may present Title VI issues of disparate impact.

Public Involvement Plan:

In compliance with Title VI of the Civil Rights Act 1964 (Title VI) the Arizona Department of Transportation (ADOT) assures through its policies and procedures that no person shall on the grounds of race, color, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any ADOT or ADOT sponsored program or activity.

Outreach: Government Representatives

ADOT contacted government representatives in the potentially affected area. These contacts included legislators for the area, and local officials in Pinal County, Mammoth, Oro Valley, Marana, and Tucson. These representatives were advised of the pending change to service availability for customers in the region and no concerns were expressed.

Outreach: Public Involvement

Notification to the general public will be made using various mass media available.

This outreach includes placement of a notice on the website of the local newspaper, which is the only local media source for the area. Collateral material such as informational flyers will be developed and distributed to area community centers, Post Offices and other conspicuous public locations.

This change will have a limited local impact rather than a statewide impact, so ADOT will not be conducting public meetings in San Manuel. The community is aware that the office has already been closed for two years. ADOT welcomes feedback from the community of San Manuel and encourages residents to visit azdot.gov/contact_adot or call (602) 712-7355 to submit comments by September 1, 2022.

All communications will be provided in both English and Spanish.

NOTICE OF CLOSURE:

The Arizona Department of Transportation Motor Vehicle Division (ADOT MVD) office located in San Manuel is officially closed.

This location has been temporarily closed since 2020 due to staffing issues associated with the COVID-19 public health emergency.

The lease agreement for the facility at 190 Reddington Road, San Manuel, AZ expires on June 30, 2022. ADOT has engaged in discussions with Pinal County and both parties have mutually agreed that the lease will not be extended.

The Arizona Department of Transportation will vacate the premises on or before June 30, 2022.

Pinal County has advised the ADOT MVD that they intend to utilize the facility at 190 Reddington Road, San Manuel, AZ to provide additional space for the Pinal County Sheriff's Office.

Repurposing the MVD space for use by the Pinal County Sheriff's Office may impact San Manuel, Mammoth and Oracle. Residents in these communities are able to conduct MVD business at several other physical locations in Tucson, Globe and Coolidge. Additionally, most MVD services are available online at azmvdnow.gov. Over 3 million Arizona residents currently address a majority of their license and registration needs on this site.

ADOT welcomes feedback, questions, or concerns. Visit: azdot.gov/contact_adot or call (602) 712-7355 to submit your comments by September 1, 2022.

Title VI Considerations

ADOT'S NONDISCRIMINATION NOTICE TO THE PUBLIC

The Arizona Department of Transportation (ADOT) hereby gives public notice that it is the Agency's policy to assure full compliance with Title VI of the Civil Rights Act of 1964, Title II of the Americans with Disabilities Act of 1990 (ADA), and other related authorities in all of its programs and activities. ADOT's Title VI and ADA Programs require that no person shall, on the grounds of race, color, national origin, or disability, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity. Any person, who believes his/her Title VI or ADA rights have been violated, may file a complaint. Any such complaint must be in writing and filed with the ADOT Civil Rights Office within one hundred eighty (180) days following the date of the alleged discriminatory occurrence. For additional information about ADOT's Civil Rights programs and the procedures to file a complaint contact ADOT Civil Rights Office via the information listed below:

AVISO PÚBLICO DE LA LEY DE NO-DISCRIMINACIÓN DE ADOT

El Departamento de Transporte del Estado de Arizona (ADOT) informa al público que esta agencia tiene como regla asegurar el cumplimiento total del Título VI de la Ley de los Derechos Civiles de 1964, del Título II de la Ley de ciudadanos Americanos con Discapacidades de 1990 (ADA) y otras normas relacionadas con todos sus programas y actividades. Los programas del Título VI y ADA de ADOT exigen que a ninguna persona se le excluya de participar, se le nieguen beneficios o de ninguna otra manera sea sujeta a discriminación en ningún programa o actividad de ADOT por motivo de raza, color, país de origen, o discapacidad. Cualquier persona que crea que se han violado sus derechos bajo el Título VI o el ADA, puede presentar una queja. Esta queja debe presentarse por escrito a la Oficina de Derechos Civiles de ADOT dentro de ciento ochenta (180) días a partir de la fecha en que se alega que ocurrió la discriminación.
